Includes results of evaluation of contests conducted, and examples of promotional materials, v.1; Includes responses to committee questionnaire on sweepstakes practices from companies using sweepstakes promotions, v.2.

MNAF, Museo Nazionale Alinari Della Fotografia Dec 28 2020 Attraverso sette sezioni, parallele ai criteri espositivi, la guida illustra il Mnaf Museo Nazionale Alinari della Fotografia. Il MNAF ha voluto allargare la sua missione non solo alla storia degli Alinari, ma a tutta la storia della fotografia italiana e mondiale, dal XIX secolo ad oggi, svolgendo un importante ruolo di ricerca, salvaguardia e divulgazione della fotografia. Il Museo di Storia della Fotografia non raccoglie solo le testimonianze dell'opera e dell'evoluzione artistica della fotografia in oltre 160 anni di storia, ma anche gli strumenti che hanno immortalato quelle che a buon diritto possono essere considerate le più belle immagini di un'epoca. Ecco allora che l'importanza di questo Museo si rivela anche nelle raccolte di macchine

fotografiche, di pubblicità, di documenti cartacei, di cornici e di tutti quegli oggetti correlati alla fotografia che di diritto devono essere considerati come parte integrante della sua storia.

La vida secreta de Sarah Brooks Feb 16 2020 ¿QUIÉN MATÓ A SARAH BROOKS? La nueva revelación del thriller que conquistará a los nostálgicos de Twin Peaks y los lectores de Joël Dicker y Mikel Santiago. En la profundidad húmeda y espesa del bosque de Stoneheaven, descansa el cascarón de carne y huesos en el que se ha convertido el cuerpo adolescente de Sarah Brooks. Con solo diecisiete años y muchos secretos en su poder, la joven ha aparecido colgada de un árbol, bocabajo y completamente desnuda. ¿Quién puede haberla asesinado de este modo? ¿Qué sabía Sarah? ¿Quién le tenía miedo? Este thriller es un viaje al corazón de uno de esos pueblos estadounidenses donde, aparentemente, nunca pasa nada. Sin

embargo, bajo la aparente calma, bullen odios y mentiras a punto de estallar. A través de la investigación del reportero de sucesos local, Declan Jacobson, el lector irá reconstruyendo las últimas horas de vida de la joven, al tiempo que el número de sospechosos va creciendo entre sus familiares y amigos. Pero será en las páginas del diario de Sarah donde se confirme el misterio: nadie la conocía del todo. Santiago Vera combina una atmósfera que gustará a los nostálgicos de *Twin Peaks* con un brillante estilo narrativo que recuerda a Joël Dicker y Mikel Santiago. El resultado es este extraordinario debut que lo tiene todo para ser una de las sorpresas editoriales del año. Los lectores han dicho: «Sólo encuentro una palabra para definirlo: brutal.» «No tiene nada que envidiar a los grandes bestsellers del género.» «Me va a costar mucho sacar de mi cabeza la imagen del pueblo de Stoneheaven.» «El final te deja con la boca abierta.»
