In the struggle to obtain a paper

qualification, many students are faced with the dilemma of having to organise their lives around the multiple subjects that they have to study. The task is one that requires a considerable degree of organisation, and skill to be able to assimilate the vast amount of information before them. This book takes the perspective that studying is not just about mastering the skill of memorising facts, but also very much a social experience that involves managing oneself, the friends, and the environment.
