Alone overnight at the store with the school bad boy. That's not what I planned on when I hid in the bathroom until well after closing. I thought I was by myself, which was why I started trying on clothes outside the dressing room. I wasn't expecting to be caught in my underwear by anyone. Least of all by the intimidating guy everyone warned me was dangerous. If that isn't bad enough, he is also my secret crush. Have you ever wondered the need to understand spiritual psychology and why it is important? Spirit attachment happens on an average regular basis, occasionally without us knowing. Have you ever wondered why Native Americans participate in sweat lodge ceremonies held in the day time? Blacking out of the sun, a solar eclipse happens in the daytime allowing with ease to purify and heal from within. Creating the absolute perfect eclipse, out with the bad, in the good; The 21 August 2017 eclipse across the United States can be energy purifying when understood how to do so. These poems take a closer look at violence against women, both physical and psychological. Follow the intersection of fear, identity, and the malleability of the speaker's own experiences of violence enacted on her by men, particularly a past partner. Imagistic and evocative, the poems ask how are we conditioned into living with violence, and how do we move forward? It could all be over before it even begins.Clyde Hatchett and the rest of the Skull & Thrones better play their cards right -- otherwise their newly-formed guild will fall in a war with the Iron Silents, the overpowered immortals fond of spawn-camping and well, anything that puts them ahead.So much for resting on laurels, huh?To keep his dreams alive, and his newfound family safe, Clyde is committed to do whatever it takes. His usual thieving tactics are all well and good, but this time he'll also throw magic, his ties to the prince, and even a few kobolds at the problem. He just hopes it'll be enough.War of the Posers is the fourth novel in the exhilarating Bad Guys LitRPG series. If you like epic battles, sharp humor, and a touch of palace intrigue, you'll love Eric Ugland's sprawling, surprising new novel. A New York Times bestseller! Amazon Prime's Most Read Title of 2019! An Amazon Best Children's Book of the Month from the New York Times bestselling author of the Goodnight Already! series This is a book about a bad seed. A baaaaaaadad seed. How bad? Do you really want to know? He has a bad temper, bad manners, and a bad attitude. He's been bad since he can remember! This seed cuts in line every time, stares at everybody and never listens. But what happens when one mischievous little seed changes his mind about himself, and decides that he wants to be—happy? With Jory John's charming and endearing text and bold expressive illustrations by Pete Oswald, here is The Bad Seed: a funny yet touching tale that reminds us of the remarkably transformative power of will, acceptance, and just being you. Perfect for readers young and old, The Bad Seed proves that positive change is possible for each and every one of us. The hit series is now a major motion picture. Join Mr. Wolf and the gang in this delightful funny fill-in! Join the Bad Guys in this funny fill-in based on the major motion picture. Pick up a pencil and create your own laugh-out-loud moments with Mr. Wolf and the gang. This book has over a dozen fun fill-in stories starring the Bad Guys who really just want to be good! A collection of 250 Poems and Sonnets. National Poet Laureate. The author examines the impact of the volatility of foreign portfolio investment on the financial constraints of small firms. Using a dataset of over 195,000 firm-year observations across 53 countries, she examines the impact of foreign portfolio investment instability on capital issuance and firm growth across countries and firm characteristics, in particular size. After controlling for the endogeneity of foreign portfolio investment instability, as well as for firm-, industry-, and country-level characteristics such as GDP growth, as well as the levels of foreign portfolio and direct investment, the author finds that the volatility of foreign portfolio investment is only significantly associated with a decreased ability to issue publicly-traded securities for small firms in years when nations are considered less "creditworthy." The volatility of foreign portfolio investment only hinders the growth of small firms significantly in periods when nations are deemed less "creditworthy." These results underscore both the significance of a good financial system that minimizes capital flow volatility, as well as the influence of property rights and country creditworthiness to instill confidence in foreign investors. "The most important book at the borderland of psychology and politics that I have ever read."—Martin E. P. Seligman, Zellerbach Family Professor of Psychology at that University of Pennsylvania and author of Learned Optimism Why are we devastated by a word of criticism even when it's mixed with lavish praise? Because our brains are wired to focus on the bad. This negativity effect explains things great and small: why countries blunder into disastrous wars, why couples divorce, why people flub job interviews, how schools fail students, why football coaches stupidly punt on fourth down. All day long, the power of bad governs people's moods, drives marketing campaigns, and dominates news and politics. Eminent social scientist Roy F. Baumeister stumbled unexpectedly upon this fundamental aspect of human nature. To find out why financial losses mattered more to people than financial gains, Baumeister looked for situations in which good events made a bigger impact than bad ones. But his team couldn't find any. Their research showed that bad is relentlessly stronger than good, and their paper has become one of the most-cited in the scientific literature. Our brain's negativity bias makes evolutionary sense because it kept our ancestors alert to fatal dangers, but it distorts our perspective in today's media environment. The steady barrage of bad news and crisismongering makes us feel helpless and leaves us needlessly fearful and angry. We ignore our many blessings, preferring to heed—and vote for—the voices telling us the world is going to hell. But once we recognize our negativity bias, the rational brain can overcome the power of bad when it's harmful and employ that power when it's beneficial. In fact, bad breaks and bad feelings create the most powerful incentives to become smarter and stronger. Properly understood, bad can be put to perfectly good use. As noted science journalist John Tierney and Baumeister show in this wide-ranging book, we can adopt proven strategies to avoid the pitfalls that doom relationships, careers, businesses, and nations. Instead of despairing at what's wrong in your life and in the world, you can see how much is going right—and how to make it still better. I'm the school geek. The teenage girl with glasses. The girl who boys avoid because her dad just so happens to be the Sheriff. All I'm interested in is getting into Yale so I can leave this town and everyone in it behind. Until four of the most popular boys in school suddenly show an interest in me...Why? I'm not sure. But when they make me a bet I can't refuse, I shed the good girl skin I'm in just to prove to them I'm not as innocent as they think I am.Only, things start to go wrong. Really wrong. As I stare down at the grave in front of me, I know my life will never be the same again-not while I'm caught up in this web of lies, deceit...and murder. Both a comical read, as well as an indispensable resource for observing the Feast Days of the Saints, this hilarious new book is for anyone who is interested in celebrating the history and humor behind the Catholic faith. If blockbusters make money no matter how bad they are, then why not make a good one for a change? How can 3-D be the future of cinema when it's been giving audiences a headache for over a hundred years? Why pay to watch films in cinemas that don't have a projectionist but do have a fast-food stand? And, in a world where Sex and the City 2 was a hit, what are film critics even for? Outspoken, opinionated and hilariously funny, The Good, The Bad and The Multiplex is a must for anyone who has ever sat in an undermanned, overpriced cinema and wondered: 'How the hell did things get to be this terrible?' Suicide chatline operator David, finds it hard to survive his work and his employers. The ever stressful environment of depressed or abusive callers is getting him down. He fights the powers that be and develops his intuitive gifts. Claiming a degree in psychology to boot and becomes a successful author. NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. "Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection." —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup "unicorn" promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes's worth at an estimated \$4.5 billion. There was just one problem: The technology didn't work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees. The Case of the Blonde with the bad Nose Job is Sam's first case and a comedy/mystery about two rich sisters and a kidnapping in Las Vegas. Sam is a street smart private investigator with a sometimes irreverent and hilarious approach to solving cases, while putting his life in danger. The Case of the Blonde with the Bad Nose Job combines all the surprises of a great who done it with all the laughs of an engaging comedy. An Instant New York Times Bestseller \* An Instant Indie Bestseller \* An Indie Next List Selection Feeling fried? Peel yourself on the couch and meet your new pal-tato! The Couch Potato has everything within reach and doesn't have to move from the sunken couch cushion. But when the electricity goes out, Couch Potato is forced to peel away from the comforts of the living room and venture outside. Could fresh air and sunshine possibly be better than the views on screen? Readers of all ages will laugh along as their new best spuddy learns that balancing screen time and playtime is the root to true happiness. Check out Jory John and Pete Oswald's funny, bestselling books for kids 4-8 and anyone who wants a laugh: The Bad Seed The Good Egg The Cool Bean The Couch Potato The Good Egg Presents: The Great Eggscape! The Bad Seed Presents: The Good, the Bad, the Spooky! The Cool Bean Presents: As Cool as It Gets That's What Dinosaurs Do We all have stories to tell, if only to have a record of events that are significant in our lives; but for me, paralyzed by grief, anger or simple frustration they were never finished. Today I decided that the endings are only relevant in so far as they make you aware that things can be better and maybe you just have to wait for that time to come. His lips were bright red. I responded to him immediately when his sexy lips touched my mouth. I permitted his entrance into my mouth as I parted my lips. My body was on vibration because of his touch. He knew the right thing to wake up my sexual arousal. As our tongues clenched, I deepened the kiss as I couldn't get enough of him. My fingers combed behind his soft silky wet hair as I felt the burning steam inside me. I was on fire. His lips were so soft against mine that I couldn't get enough of him. His hands went to the back strap of my bikini bra, trying to loosing the tied knot. Bad girl Olivia Henderson is stuck with her worst nightmare, Alexander Williams. He happens to be the son of her parent's good friends and business partners. Their parents go on a one-month business trip leaving Olivia in the care of her worst nightmare. What happens when what was supposed to be one horrible month of living with her worst nightmare turns out to be a turnaround in Olivia's life as they slowly become attracted to one another? "Humorous and forthright...[Gaby] Dunn makes facing money issues seem not only palatable but possibly even fun....Dunn's book delivers." —Publishers Weekly The beloved writer-comedian expands on her popular podcast with an engaging and empowering financial literacy book for Millennials and Gen Z. In the first episode of her "Bad With Money" podcast, Gaby Dunn asked patrons at a coffee shop two questions: First, what's your favorite sex position? Everyone was game to answer, even the barista. Then, she asked how much money was in their bank accounts. People were aghast. "That's a very personal question," they insisted. And therein lies the problem. Dunn argues that our inability to speak honestly about money is our #1 barrier to understanding it, leading us to feel alone, ashamed and anxious, which in turns makes us feel even more overwhelmed by it. In Bad With Money, she reveals the legitimate, systemic reasons behind our feeling of helplessness when it comes to personal finance, demystifying the many signposts on the road to getting our financial sh\*t together, like how to choose an insurance plan or buy a car, sign up for a credit card or take out student loans. She speaks directly to her audience, offering advice on how to make that #freelancelife work for you, navigate money while you date, and budget without becoming a Nobel-winning economist overnight. Even a topic as notoriously dry as money becomes hilarious and engaging in the hands of Dunn, who weaves her own stories with the perspectives of various comedians, artists, students, and more, arguing that—even without selling our bodies to science or suffering the indignity of snobby thrift shop buyers—we can all start taking control of our financial futures. This handbook provides basic facts regarding foodborne pathogenic microorganisms and natural toxins. Recounts the events of a day when everything goes wrong for Alexander. Suggested level: junior, primary. Why are some popular musical forms and performers universally reviled by critics and ignored by scholars-despite enjoying large-scale popularity? How has the notion of what makes "good" or "bad" music changed over the years-and what does this tell us about the writers who have assigned these tags to different musical genres? Many composers that are today part of the classical "canon" were greeted initially by bad reviews. Similarly, jazz, country, and pop musics were all once rejected as "bad" by the academy that now has courses on these and many other types of music. This book addresses why this is so through a series of essays on different musical forms and performers. It looks at alternate ways of judging musical performance beyond the critical/academic nexus, and suggests new paths to follow in understanding what makes some music "popular" even if it is judged to be "bad." For anyone who has ever secretly enjoyed ABBA, Kenny G, or disco, Bad Music will be a guilty pleasure! In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, It Ends with Us is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY). New York Times Bestseller Edited and with an introduction by Roxane Gay, the New York Times bestselling and deeply beloved author of Bad Feminist and Hunger, this anthology of first-person essays tackles rape, assault, and harassment head-on. Vogue, "10 of the Most Anticipated Books of Spring 2018" \* Harper's Bazaar, "10 New Books to Add to Your Reading List in 2018" \* Elle, "21 Books We're Most Excited to Read in 2018" \* Boston Globe, "25 books we can't wait to read in 2018" \* Huffington Post, "60 Books We Can't Wait to Read in 2018" \* Hello Giggles, "19 Books We Can't Wait to Read in 2018" \* Buzzfeed, "33 Most Exciting New Books of 2018" In this valuable and revealing anthology, cultural critic and bestselling author Roxane Gay collects original and previously published pieces that address what it means to live in a world where women have to measure the harassment, violence, and aggression they face, and where they are "routinely second-guessed, blown off, discredited, denigrated, besmirched, belittled, patronized, mocked, shamed, gaslit, insulted, bullied" for speaking out. Contributions include essays from established and up-and-coming writers, performers, and critics, including actors Ally Sheedy and Gabrielle Union and writers Amy Jo Burns, Lyz Lenz, Claire Schwartz, and Bob Shacochis. Covering a wide range of topics and experiences, from an exploration of the rape epidemic embedded in the refugee crisis to first-person accounts of child molestation, this collection is often deeply personal and is always unflinchingly honest. Like Rebecca Solnit's Men Explain Things to Me, Not That Bad will resonate with every reader, saying "something in totality that we cannot say alone." Searing and heartbreakingly candid, this provocative collection both reflects the world we live in and offers a call to arms insisting that "not that bad" must no longer be good enough. "I want you on your hands and knees in the sand, right here, right now, and I don't give a f\*ck who's watching." There's nothing Layla Hart loves more than a hot, dirty-talking guy taking control...

in the pages of her manuscript. But after a devastating breakup, the bestselling romance author has lost her muse. Deadline looming, she's hoping a week at her favorite Cali beach rental will get her juices flowing again. No distractions, no drama—nothing but the pounding surf, the salty ocean breeze... And Trick Harper, the infamous bad boy of punk rock, passed out in her bed. Naked. Hard. And—holy hell—HUGE. Random chicks climbing into his bed in the middle of the night? For rock star Patrick “Trick” Harper, that’s just part of the gig—usually. But this spring break, he’s taking a sabbatical from sex, holing up in a beachfront cottage to clear his head and finish his latest song. Only one thing can screw up his plans... A ball-busting, sexy-as-hell writer who leaves him aching to make her sing the high notes... preferably while he’s fucking her senseless on the beach. With neither willing to relinquish the double-booked rental, the battle of the sexes is on. A no-strings fling with a well-endowed rock star might be just what Layla needs to get her writing groove back... but will the cocky bad boy rise to the occasion, or is this breezy seaside romance doomed to sink? \*\* A sexy, standalone novella with an HFN and no cliffhanger! \*\* Beached with the Bad Boy is part of the Bad Boys on Holiday novella series. Each book is a standalone romance and can be read in any order. In modern-day England, where witches live alongside humans, Nathan, son of a White witch and the most powerful Black witch, must escape captivity before his seventeenth birthday and receive the gifts that will determine his future. The bad seed changes his mind about being bad and decides that he wants to be happy. In the Nightside—that hidden area in the middle of London where time stands still at three A.M. and the sun won't rise to refute it—nightmares go walking in borrowed flesh, and not everything that looks back at you with human eyes is really human. I'm John Taylor, a PI with a knack for finding things, helping those the Nightside has chewed up and is about to spit out. All things considered, my life lately had been bright, even in this shadowy place. So it was only a matter of time before everything hit the fan. Walker—the powerful, ever-present, never-to-be-trusted agent who runs the Nightside on behalf of the Authorities—paid me a visit. He told me he is dying and that he, too, has a job for me. An important job. His. A New York Times Notable Book of 2007 "Splendid, suspenseful, and irresistible . . . A contemporary love story that explores the mores of the urban 1960s--and 70s and 80s."--The New York Times Book Review Ricardo Somocurcio is in love with a bad girl. He loves her as a teenager known as "Lily" in Lima in 1950, when she flits into his life one summer and disappears again without explanation. He loves her still when she reappears as a revolutionary in 1960s Paris, then later as Mrs. Richardson, the wife of a wealthy Englishman, and again as the mistress of a sinister Japanese businessman in Tokyo. However poorly she treats him, he is doomed to worship her. Charting Ricardo's expatriate life through his romances with this shape-shifting woman, Vargas Llosa has created a beguiling, epic romance about the life-altering power of obsession. A guide to essential conversations that parents need to have with their children about being critical, independent thinkers and good people. Longlisted for the 2022 National Book Award for Nonfiction One of The New Yorker's Best Books of 2022 A Kirkus Best World History Book of 2022 “Rebel historian” Kelly Lytle Hernández reframes our understanding of U.S. history in this groundbreaking narrative of revolution in the borderlands. Bad Mexicans tells the dramatic story of the magonistas, the migrant rebels who sparked the 1910 Mexican Revolution from the United States. Led by a brilliant but ill-tempered radical named Ricardo Flores Magón, the magonistas were a motley band of journalists, miners, migrant workers, and more, who organized thousands of Mexican workers—and American dissidents—to their cause. Determined to oust Mexico's dictator, Porfirio Díaz, who encouraged the plunder of his country by U.S. imperialists such as Guggenheim and Rockefeller, the rebels had to outrun and outsmart the swarm of U. S. authorities vested in protecting the Díaz regime. The U.S. Departments of War, State, Treasury, and Justice as well as police, sheriffs, and spies, hunted the magonistas across the country. Capturing Ricardo Flores Magón was one of the FBI's first cases. But the magonistas persevered. They lived in hiding, wrote in secret code, and launched armed raids into Mexico until they ignited the world's first social revolution of the twentieth century. Taking readers to the frontlines of the magonista uprising and the counterinsurgency campaign that failed to stop them, Kelly Lytle Hernández puts the magonista revolt at the heart of U.S. history. Long ignored by textbooks, the magonistas threatened to undo the rise of Anglo-American power, on both sides of the border, and inspired a revolution that gave birth to the Mexican-American population, making the magonistas' story integral to modern American life. AN INSTANT NEW YORK TIMES BESTSELLER! The “too-cool-for-school” third picture book from the #1 New York Times bestselling creators of The Bad Seed and The Good Egg, Jory John and Pete Oswald Everyone knows the cool beans. They're sooooo cool. And then there's the uncool has-bean . . . Always on the sidelines, one bean unsuccessfully tries everything he can to fit in with the crowd—until one day the cool beans show him how it's done. With equal measures of humor, wit, and charm, the #1 New York Times bestselling duo Jory John and Pete Oswald craft another incredible picture book, reminding us that it's cooler to be kind. Check out Jory John and Pete Oswald's funny, bestselling books for kids 4-8 and anyone who wants a laugh: The Bad Seed The Good Egg The Cool Bean The Couch Potato The Good Egg Presents: The Great Eggscapel! The Bad Seed Presents: The Good, the Bad, the Spooky! The Cool Bean Presents: As Cool as It Gets That's What Dinosaurs Do I'll screw any woman I want, even the enemy. As a sniper in the military, I shot on sight. But now the only thing I have eyes for is Brooklyn, the new bartender at P.J's. Her curvy hips, those pouty lips, I want to touch every inch of her skin. I'll bend her over my bike and show her how a Bad Disciple really rides. But Brooklyn is hiding something. A secret that could rip us and the club apart. I killed her brother overseas. And now it haunts me in our streets. I'll convince Brooklyn to stay with me. I never miss a target, and this time the bullseye is her heart. "What we have here is a bad case of stripes. One of the worst I've ever seen!" Camilla Cream loves lima beans, but she never eats them. Why? Because the other kids in her school don't like them. And Camilla Cream is very, very worried about what other people think of her. In fact, she's so worried that she's about to break out in...a bad case of stripes! When Montana first started playing in iNcarn8, his new game life, he just wanted to be one of the good guys for a change. But despite his impressive stats and incredible heroics, even his closest followers are just plain scared of him. Trouble keeps pouring down Montana, even in the remote, supposedly safe holding he's building into his dukedom. All that will have to change if Coggeshall is going to survive. Walls go up and homes get built, but Montana can't shake the feeling that none of it will be enough to keep out the problems of the Empire. Or the world of Vuldranni. Dukes and Ladders is the fifth book in The Good Guys LitRPG series. It's half town-building grinding, half action-adventure epic, and all thoroughly good fun. Pick up this page-turner today! Two months on a tour bus with no responsibilities other than to rock the asses off of the audience every night? Sign me up. I didn't factor literally being trapped on the tour bus with Jonas Rowe though. The drop-dead gorgeous lawyer and I have a past. A past I never thought I would have to revisit. Beneath that suit is a reformed bad boy who used to be exactly what I wanted. He dropped me when things got a little tough and he never looked back. Now I'm right in front of him and he has no choice but to look at me. Being trapped with the bad boy wasn't in my plans, but sometimes you need to remember where you've been to get where you're going. For anyone who feels caught in the tension between the beauty of God's story and the ugliness of human hypocrisy, Why I Still Believe offers a stirring story of hope. Why would anyone be a Christian when there is so much hypocrisy in the church? Mary Jo Sharp shares her journey as a skeptical believer who still holds to a beautiful faith despite wounding experiences in the Christian community. At a time when de-conversion stories have become all too common, this is an earnest response - the compelling conversion of an unlikely believer whose questions ultimately led her to irresistible hope. Sharp addresses her own struggle with the reality that God's people repeatedly give God's story a bad name and takes a careful look at how the current church often inadvertently produces atheists despite its life-giving message. For those who feel the ever-present tension between the beauty of salvation and the dark side of human nature, Why I Still Believe is a candid and approachable case for believing in God when you really want to walk away. With fresh and thoughtful insights, this spiritual narrative presents relevant answers to haunting questions like: Isn't there too much pain and suffering to believe? Is it okay to have doubt? What if Jesus' story is a copy of another story? Is there any evidence for Jesus' resurrection? Does atheism explain the human experience better than Christianity can? How can the truth of Christianity matter when the behaviors of Christians are reprehensible? At once logical and loving, Sharp reframes the gospel as it truly is: the good news of redemption. With firmly grounded truths, Why I Still Believe is an affirming reminder that the hypocrisy of Christians can never negate the transforming grace and truth of Christ. This book is intended to be a light-hearted, humorous, and factual account of how a boy grew into a man and enjoyed the life of a bachelor in the big city (with the help of several accommodating and sporting ladies). Some of my readers may even think that I'm a chauvinist, but you can all make up your own minds about that. I guess it depends on the view from where you're standing The Bad Boy with the Rosebud Lips is a voyage of discovery and learning about the opposite sex, which took place over a period of around thirty years, in the carefree days before HIV loomed large and menacing in the heterosexual consciousness. The book is meant to be entertainment rather than a literary masterpiece, and hopefully, it will bring a smile to your face. I make no apologies if some of my readers are jealous of the success I have enjoyed with the fair sex. If you're one of those guys, hang on to my coattails and enjoy the read P.S. If you're a feminist, homosexual, or completely lacking in humour, you probably won't enjoy the book, but thanks for buying it anyway. And if any of you guys feel you need some help with the fair sex, send \$5,000, and I'll see what I can do About the Author: Sudo Nim lives in London and is not planning any sequels. He works in mergers and acquisitions. His biggest obstacle in writing the book was lethargy. Publisher's website: <http://www.strategicpublishinggroup.com/title/TheBadBoyWithTheRosebudLips.htm>
