From the stars of the SyFy network's popular show Ghost Hunters, the second novel in a new spine-tingling supernatural series. WELCOME TO EXETER, THE "MOST HAUNTED TOWN IN AMERICA," thanks to a deadly flood that unleashed an army of ghosts decades ago. And when ghost trackers Amber, Drew, and Trevor attend a conference during Exeter's spookiest week of the year, the ghouls grow restless. First, an innocent bookstore worker is mysteriously killed, setting off a string of strange deaths that point to a shadowy spirit known as the Dark Lady. With a paranormal revolution ensuing, the team must stop the twisted bloodbath. But a past horror involving the death of a former teammate has them spinning faster than a specter in a storm, especially when they learn that it's his ghost who awakened the Dark Lady. Now, with their lives on the line and the entire town at stake, the three must decide whether to trust the spirit of their old friend or to finally put a stake through his heart. This little gem of a book is a repository of intriguing, fascinating, obscure, strange and entertaining facts and trivia about ghosts and all things that go bump in the night. Within this volume are such chapters as haunted houses, roads, woods and byways, phantom

animals, royal ghosts, poltergeists and haunted objects, while not forgotten are spooky séances and time-slip ghosts, as well as some of the famous ghost-hunters themselves, including Harry Price, Elliot O'Donnell and R. Thurston Hopkins. Anyone curious enough to pick up this book will be terrified and enthralled and never short of some frivolous fact to enhance a conversation or quiz! The Little Book of Ghosts is the perfect introduction to the mysterious realm of ghosts and haunted places. Step inside, if you dare... Part high-adventure tale, part autobiography, this page-turner recounts the eerie experiences that convinced brothers Brad and Barry Klinge, founders of Everyday Paranormal and stars of the TV series Ghost Lab on Discovery Channel, that ghosts really do walk among us. Brad and Barry Klinge have been investigating paranormal occurrences for the last twenty years, and in *Chasing Ghosts, Texas Style*, they divulge some of their most exciting ghost encounters and analyze the science behind their paranormal hunts. Each chapter of this fascinating book focuses on the Klinge brothers' investigations into the creepiest of places, and explains how they have been able to capture both audio and video of paranormal occurrences using their high tech tools, and a healthy dose of common sense. Even when faced with mysterious slamming doors and haunting pleas for help, these brothers never shy away from a bone-chilling encounter or another chance to investigate a centuries-old haunting. Whether they are simply looking for a frightening ghost story or are more interested in the science behind ghost hunting, readers will not be able to put this gripping book down. In fact, they may even be inspired to take up ghosthunting themselves. "In cases when mysterious phenomena jar our understandings of the material world, the experts in paranormal research can provide astonishing explanations. A parapsychologist and paranormal investigator, the author of this volume plumbs 25 years of experience to create a personal and captivating account of events both common and uncommon to the field of paranormal research. Anecdotes and studies in this volume run the gamut from encounters with intelligent entities and imprints of past events to peculiar moving objects to those events that may seem paranormal but actually have common explanations. Major research centers and related resources are discussed, and advice is given on how to judge the credibility of self-professed

ghost hunters." -- Amazon.com viewed August 24, 2020. This fascinating and insightful tour through present-day meetings of Spiritualists, UFOlogists, and dowsers illuminates our obsession with the paranormal and challenges the misunderstanding of the paranormal as a marginal or inconsequential feature of America's religious landscape. • Chronologies focusing on the main developments in Spiritualist, UFOlogical, and dowsing history • Photographs of materials, culture, and events at Lily Dale, the Roswell UFO Festival, and The American Society of Dowsers annual convention taken by the author • A bibliography of authoritative scholarly works, primary texts, and theoretical frameworks pertinent to the study of Spiritualism, UFOlogy, and dowsing "Excellent ghost book, great photos! Chillingly entertaining." -Kalila Smith, Author, New Orleans Ghosts, Voodoo & Vampires Miami Ghosts, Legends & Mysteries "The book shines a paranormal light on several spots around Indianapolis." -Brianna Code, Fortville - McCordsville Reporter "It's great to see another excellent book on the haunted history of U.S. cities! From Indianapolis to New Orleans...The paranormal comes alive! Lorri and Keri have succeeded in bringing more attention to the undeniable existence of the spirit world." - Sidney Smith, Owner / Founder, Haunted History Tours, New Orleans, LA The depiction of the paranormal has become prevalent in television and movies in recent years. This intriguing account by ghost hunters Lorri Sankowsky and Keri Young covers everything from high-tech gadgets, to inborn psychic abilities, while instructing readers on how to locate friendly or not so friendly apparitions. This account is equally informative for both the novice and the more experienced paranormal researcher. It offers visitors and residents a chance to see beyond the surface of various haunted locations throughout the area. Numerous sites of criminal activity, suicides, tragic fires and accidents, and disturbed remains abound in Indiana, providing hundreds of opportunities for ghost hunting. ABOUT THE AUTHORS Lorri Sankowsky, along with friend Keri Young, are the former codirectors of The Indiana Ghost Trackers, a prominent paranormal investigation group in the Indianapolis area. Together they have explored many famous ghostly locations, such as the French Lick Springs Hotel, the legendary Indiana Motor Speedway, and various haunted cemeteries. Sankowski and

Young have also conducted paranormal review meetings for more than seventy members of their group and have been able to organize and guide group ghost tours throughout their area. For these two women, inspiration for this book came after many years of researching and exploring haunted locations throughout their region, witnessing first hand some of the strange and unusual events, previously told to them by the various owners and employees of the sites. A dash of destiny and a pinch of passion can change everything... Magic, Mischief & Kilts! Scottish warlock Rory MacGregor knows something from the supernatural world is trying to kill him. He's not sure exactly what that something is, but it'll make for a fun adventure figuring it all out. Of course, nothing is simple, so when Fate tosses in a dash of destiny to keep him on his toes by way of an enchanting new arrival in town, he's all in. He just wished she was too. Life hasn't turned out as planned for Jennifer Greene. After taking care of her sick father for years, she's come to Green Vallis, Wisconsin, for one reason only—a job. She isn't looking for adventure, even if it's by way of a tempting Highlander in a kilt or men streaking across the countryside. And she definitely isn't looking for love—even though love is looking for her. From the Highlands of Scotland to the valleys of Wisconsin... Book Eight of the Warlocks MacGregor® series by NY Times and USA TODAY Bestselling Author, Michelle M. Pillow.

About the Warlocks MacGregor® Series People know magic is fake--card tricks and illusions, magicians and entertainers. But there is an older magick, a powerful force hidden from modern eyes, buried in folklore and myths, remembered by the few who practice the old ways and respect the lessons of past generations. The term "warlock" is a variation on the Old English word waerloga, primarily used by the Scots. It meant traitor, monster or deceiver. This fiction-based family includes males and females of magick. The MacGregors do not agree with how history has labeled them, or other supernaturals. To them, warlock means magick, family, and immortality. This series is not a portrayal of modern-day witchcraft or those who hold such beliefs. The MacGregors are a magickal class all their own. Warning: Contains yummy, hot, mischievous MacGregors who are almost certainly up to no good on

their quest to find true love. And Uncle Raibeart. Praise For A Dash of Destiny 5 Stars! "I absolutely LOVE these Warlocks! I completely binged the entire series again before digging into this one. Rory's book is by far my favorite yet!!" akepple844, Bookbub (2021) 5 Stars! "I love the MacGregors and their funny family quirks!" purplelakebell, Bookbub (2021) ? 5 Stars! "I made the mistake of starting it at bedtime and I couldn't stop until it was over." Sam Tully, Bookbub (2021)

The Encyclopedia of the Paranormal contains over 90 articles by more than 50 experts on topics including the strictly paranormal (psychokinesis, channeling, levitation, astrology, phrenology, palmistry); the historical (mediums, psychic research, alchemy, Houdini); the philosophical (miracles, survival of death, reincarnation); and work on investigatory photography, statistics, the media and the Bermuda Triangle. In his foreword, Carl Sagan says, "I wish [this book] were on the shelves of every newspaper editorial desk and every television newsroom, to encourage more skeptical backbone in reporting [I]n school libraries so that children would have some counterbalance to the many paranormal and mystical claims

in our society." The Encyclopedia of Haunted Northern Indiana examines the history and folklore of Indiana's fascinating paranormal locations. Ghosts and other assorted paranormal entities inhabit jails, asylums, cemeteries, homes, and businesses- all are unique with their own special history and hauntings. With over 30 years experience in the paranormal field, Nicole Kobrowski has visited over 70% of the locations and found a host of others in her research to keep you busy! * The circus train accident in northern Indiana spawned several hauntings over the crash area. * A bridge that boasts a hanging man whose head is ripped from his body. * Devil's Dip where a little girl will accompany you- all the way home. * Brutally killed gypsies haunt a hill where their people roam for all eternity. * Several mental asylums and county homes still have patients and inmates roaming their halls. Enjoy a tour of northern Indiana that you can take on the road! History, the paranormal and the dark side of the Hoosier state await. You can use the book as a reference as you travel the state from your home or in your car! Amy Bruni, co-star of Kindred Spirits and one of the world's leading paranormal investigators, has learned a lot about ghosts over her years of research and first-hand experience. Now, in *Life with the Afterlife*, she shares the insight she has gleaned and how it has shaped her unique approach to interacting with the spirits of the dead and those who encounter them. From her earliest supernatural encounters as a child, through her years appearing on *Ghost Hunters* and the creation of her company *Strange Escapes*, which offers paranormal excursions to some of America's most notoriously haunted destinations, and into her current work on *The Travel Channel's Kindred Spirits*, this book is full of astonishing and deeply moving stories of Amy's efforts to better understand the dead but not yet departed. With Amy's bright

humor and fierce compassion for both those who are haunted and those who are haunting, *Life with the Afterlife* is an eye-opening look at what connects us as people, in life and beyond. A USA Today Bestseller Discover the paranormal legacy of one of America's most celebrated historical sites. Based on scores of investigations conducted at the battlefield, *Ghost Soldiers of Gettysburg* presents a wealth of fascinating Civil War history and compelling, first-hand encounters with ghost soldiers. Meticulously researched and respectful, this book reveals the mysteries of the spirit world while bringing the stories of this notorious battle to life. Follow investigators who listen to the testimonies of soldiers before helping them cross to the other side. Experience personal and thrilling stories, such as the fallen soldier who allows a present-day tourist a glimpse into his last moments on earth. These true encounters, and many more, are found within this amazing collection of the trials and triumphs at the Battle of Gettysburg. Includes thirty-five photos! Praise: "[This book] is not only the definitive guide to Gettysburg hauntings, but a priceless overview of phantasmal research in general...5 out of 5 stars!"—Joshua P. Warren, author of *How to Hunt Ghosts I'll get you. You're mine.* This is not a Hollywood tale; it is a true account of one of the most malevolent homes that Brandon Callahan and his team have ever investigated. A former funeral parlour, the demon-infested property had a dungeon and a sinister past that included murder, suicide, and vile rituals. When Brandon Callahan answered the homeowner's plea for help, he had no idea what he was getting himself into. A monstrously tall entity in a dark hooded cloak moves through the embattled home it considers his domain. An expressionless phantom face follows one of the investigators home. Innocent bystanders and paranormal investigators alike are plagued by physical attacks and bleed-through phenomena: inhuman laughter, bloody scratches, disembodied shrieks and growls, horrific nightmares, and escalating threats. *The House Where Evil Lurks* is Brandon Callahan's terrifying true story. Paranormal investigator Wilson journeys into the unexplained at Illinois' Williamsburg Hill, Springfield's Legacy Theater, and the mysterious "Graveyard X;" at Missouri's Rockcliffe Mansion, Morse Mill Hotel, and Kemper Military Academy; and at Iowa's notorious Villisca Ax Murder House. On a spirit quest, a paranormal investigator shares some

fascinating and terrifying experiences along her journey. She gets entangled in a web of demons and evil entities she never expected. Ohio's premier paranormal researcher looks for the spirits behind the stories. Many of Ohio's historically significant locations have developed a reputation for being haunted. While it might be almost impossible to prove the validity of the paranormal tales that surround them, one thing is clear: ghost stories help to keep history alive. But the questions remain: How did these stories get started? More important, are any of them tied directly to actual historic events? And do any facts support the ghost lore? Rather than rely on second- and third-person accounts, author and paranormal researcher James A. Willis sat down with the owners, employees, and patrons of Ohio locations that are said to be haunted - the Arts Castle in Delaware, the Fairport Harbor Marine Museum, the Haunted Hydro in Fremont, Loveland Castle, the Merry-Go-Round Museum in Sandusky, the Ohio State Reformatory in Mansfield, the Zanesville Community Theatre, and many others. After conducting more than 200 hours of one-on-one interviews, Willis was able to piece together unique histories for each location, including eyewitness accounts from people who believed they experienced paranormal activity. But Willis wasn't content to stop with first-person accounts. He also brought high-tech "ghost-hunting" equipment into each location and spent a night attempting to collect empirical data to see if he could experience a paranormal encounter himself. What were the results of these vigils? You'll have to read the book to find out. Come along on a journey with Willis as he travels to the crossroads where history and folklore collide, and visit the fascinating Ohio locations where the past comes alive - in more ways than one.

Lost Girl - Readers' Favorite Award Finalist in Paranormal Fiction

Renowned sculptor Allison Weathers doesn't believe in ghosts. But when a tragic twist of fate leads her to the small mountain town of Dawson Mills, Tennessee, she soon learns that the dead don't always stay silent. Shadows begin to shift in the rambling, old Victorian farmhouse she's purchased. Voices come from nowhere. She can feel the eyes on her. Paul Bradford, a contractor who is bidding the renovation work on the house, believes it's more than just Allison's imagination conjuring up the paranormal activity. Toni Harper, a reporter for the local paper, concurs. She's heard snippets of hand-over-the-mouth gossip from some of the town's deputies who responded to calls in the middle of the night. Ghosts. Or so the former owner claimed in the few months before his death. The secrets they unearth rock Allison right down to the core. Thrust into a haunted world where the paranormal and evil collide, she has one hope of survival: unravel the sinister history buried for decades within the old farmhouse, and find the link to a muddled piece of her past. Lost Girl by Anne Francis Scott is a paranormal mystery/ghost story with chilling scenes at the fringe of horror. Ghosts and ghouls, demons, poltergeists, phantoms, haunted houses, and shadow people—why is America so captivated by the creepy and unexplained? Paranormal Obsession is the first book to explore why we have an insatiable interest in spirits, ghost hunting, and all things otherworldly. Paranormal investigator and researcher Deonna Kelli Sayed reveals how and why our fascination with spirits started. She interviewed ghost hunters, religious figures, scientists, academics, and cast members of the popular TV shows Ghost Hunters and Paranormal State, and offers compelling insight into what our fixation on ghostly activity says about American culture. Paranormal Obsession also highlights the author's paranormal group's investigation of the USS North Carolina, the most haunted battleship in the United States. Praise: "Everyone can learn a thing or two from Deonna's writings. Her heart and soul are poured into every sentence."—Jason Hawes, co-founder of TAPS and co-star of the SyFy Channel show Ghost Hunters "Thank you, Deonna, for getting it right."—Grant Wilson, co-founder of TAPS and co-star of the SyFy Channel show Ghost Hunters **As seen in the upcoming Sony Pictures film Ghostbusters** Years before they made headlines with the Ghostbusters, Erin Gilbert and Abby L. Terre Haute might seem like a quiet river town, but the ghosts of the city's past ensure that things never grow too quiet! From the ghost of a green-eyed bulldog to a mausoleum phone, the town's cemeteries are a playground for those who have passed on to the other side. The spirits of children haunt the site of the former Glenn Home, where they once lived. The restless spirit of a girl who passed before her time lingers in a local salon, and the apparition of a faceless nun still wanders the hallowed halls of Saint Mary-of-the-Woods College. The former Condit residence has a long history of premature deaths, while the Preston House held its own secrets within its now vanished walls. Join tour guide and paranormal investigator Ashley Hood on a tour of Terre Haute's spectral history. Eerie. Exotic. Haunted. Michigan's Upper Peninsula boasts a wild and mysterious landscape that teems with ghosts from its rugged and colorful history. In earlier times this remote and often inaccessible terrain spawned a world of its own that still lives on in the haunted mists and shadows. Join Michigan's premier investigators, the Upper Peninsula Paranormal Research Society, as they open their case files to some of the best haunted locales. Most of the team are U.P. natives, fondly known as "Yoopers." Their stories are packed with history, lore, and detailed descriptions of investigations, plus ample helpings of charm and humor. Running from evil is not a bad idea...until you realise you can't hide. Old Tailem Town is an Australian pioneer village that has built a reputation as the creepiest ghost town in the southern hemisphere. But some ghosts get tired of hanging around and latch onto you. Running from evil is not a bad idea until you figure out you can't hide. The houses and the Church that were moved and renovated to create the perfect paranormal tourist attraction carries dark secrets within its walls. Will Clarisse be able to confront her biggest evil challenge yet or will Little Charlie rally all the towns ghost into an impeccable evil stronghold? Will her meeting with the local Sharman unleash secrets with evil consequences for digging too deep into the towns past? Matters become complicated for Clarisse when a circus of young performers

passes on the outskirts of town triggering unexpected paranormal events and unleashing memories of a one hundred year curse. The tourists keep flocking in for the paranormal experiences run by a local entrepreneur-- unbeknown they are caught in the crossfire of a battle for evil supremacy. Will the town succumb to Little Charlie and his evil crew? My ghost adventures began, unexpectedly, as a child when I was the one targeted. Twenty five years later, I was targeted again by something dark when a portal was opened. It began with three knocks. It was a lengthy and horrifying experience. It is unnerving when you are the one being hunted. In 2008, paranormal activity presented it's self again. With a camcorder in one hand and a steering wheel in the other I narrated as I drove down single lane roads which were known to be haunted. I shared my videos with the world which became very interactive. My followers became my eyes and ears finding EVPs or electronic voice phenomena, apparitions, shadow ghosts, and orbs. Ghost Mountain in PA sparked my interest when an apparition was seen in my passenger window three years after the video was posted. Ghost Mountain also intrigued the producer of the History channel and my video aired on an episode of, "True Monsters" in 2015. I was on a quest to find answers to the paranormal. Now, I would be the one hunting ghosts and investigating paranormal activity. This book consists of eight years of the best paranormal activity I captured within the USA. I include pictures which were taken from my investigations. Funks Mill road in PA is one I could only investigate during the day as I also have my limitations. The remnants of this stone house which burned down killing an entire family also has it's negative imprint or residual energy engraved there forever. Subsequently, I investigated hotels and 17th century bed & breakfast inns. The Stanley Hotel in, CO and the Magnolia Hotel in, TX are two infamous ones I visited. Devil's Tower in Alpine, NJ is notoriously known as well and I investigated this portal from hell and include testimonies from those who shared their hellish experiences. You will also enter Constitution Drive in Allentown, PA which is diabolical as well. I investigated Civil War & Revolutionary War cemeteries providing the most compelling paranormal evidence. Katie's Abandoned Church, Whitehall, PA is known to many as well, and I feel this was the best and worst evidence I captured for the world to see as a demon fully

manifested in the back upper window. The inside of this abandoned church has only one floor which is even more unnerving. Someone heard an EVP, "I want to kill her." This vile and brazen creature stalked one of my viewers and her comments and text messages are included. I also investigated and captured pictures of these mysterious pyramids on a back road in Upper Bucks, PA. The paranormal activity I captured was not all evil and wicked. December 9, 2015 as I was taking pictures of my Christmas lights, I looked down as I saw something fluttering it's wings and looking up at me was a male, "mythical fairy." I quickly snapped a picture and as he quickly ran off in my flower garden I ran in my house. I was just as startled as he was because I did not believe fairies existed. I looked at my pictures and I captured every detail of this male fairy. I went back outside and to my amazement there were others. One was a beautiful female fairy. These pictures are very detailed which I included for the world to see. I believe a portal opened that night in my front yard. I never saw them again. There are dimensions which exist beyond and sometimes we get a glimpse into them. This book is also inspiring for those who have lost their loved ones. The chapter on Roselawn Cemetery in Pueblo, CO is one of inspiration and love. As a licensed, RN, BSN I am a logical and sensible person, however, when I cannot debunk something then I will define it as paranormal or otherworldly. Violent crimes and legends with a paranormal twist, from mass murders to haunted tourist attractions. When you come to the end of all light and nothing but darkness is ahead - there is one sliver of space. A small gray area where light and dark join. It is here the known merges with the unknown and the real truth exists. The true stories in this book will take you into that gray area. The area right before darkness. Learn the stories behind this luxurious—and haunted—ocean liner . . . Includes photos! For thirty-one years, the RMS Queen Mary sailed the North Atlantic. It helped defeat Hitler and was the ship of choice for the world's rich and famous. Now in retirement in the Port of Long Beach, the "Stateliest Ship Afloat" plays host to tourists, travelers—and more than six hundred spirits that roam her halls and passageways. These choice decks remain the floating home of a few regulars, including the oft-glimpsed White Lady, as well as Little Jackie, John Henry and, of course, Grumpy. Join paranormal investigators Brian Clune and Bob Davis as they take you to

the hot spots of activity from port to starboard and relate tales from the dockside about the spirits that haunt the grandest liner ever built. From exploring the Tower of London to investigating a haunted Colorado firehouse, paranormal researcher Richard Estep takes you behind the scenes for an up-close-and-personal encounter with a fascinating legion of hauntings. This collection reveals some of the most chilling, captivating, and weird cases that Richard has investigated over the past twenty years, in England and in the United States. *In Search of the Paranormal* is filled with rich historical detail, present-day research, and compelling eyewitness accounts. You are there with the team at each haunted location: walking through a desecrated graveyard, shivering in a dark basement, getting thrown into The Clink, watching a "ghost-lit" stage in an old theater. Employing a variety of investigative methods—from high-tech gadgets to old-fashioned practices such as dowsing, table tipping, and Ouija boards—Richard Estep and his team uncover the dark mysteries of the paranormal realm. Praise: "This book is written from the heart. Believe in the paranormal or not, Richard Estep's words ring out with sincerity and integrity."—Patrick Burns, star of *Haunting Evidence* "Within these pages, you can join Richard on his ghostly adventures, from the UK to the US and experience with him what it's like to be a Paranormal Investigator."—Paul Bradford, star of *Ghost Hunters International* Perfect for Witches who are ready to dive into the paranormal, this book helps you understand how hauntings work and prepares you for eerie situations you might encounter. With it, you will be able to identify and resolve the four main classes of haunting--residual, poltergeist, human earthbound, and inhuman entity--using witchcraft. J. Allen Cross covers haunted homes, paranormal investigation, psychic senses, mediumship, protection techniques, and the nature of matter. You will learn how to craft a seal, open and close portals, perform an exorcism, and help spirits cross over. As a Witch, your ability to manipulate energy allows you to interact with ghosts in ways that other investigators can't. This book shows you how to make the most of your talents so you can bring peace to restless spirits and those they haunt. Between the evil and the deep blue sea... A historic cruise ship, a haunted ship, the Celtic American Line's *Destiny*, sets sail from the Port of New Orleans—with a killer on board. He's known as the

Archangel Killer because of the way he displays his victims in churches. And how he places a different saint's medallion on each body. No one knows exactly who he is or why he's doing this. Jackson Crow—head of the FBI's Krewe of Hunters, a special unit of paranormal investigators—is assigned to the case, along with local agent Jude McCoy. Then Alexi Cromwell, who works in the ship's piano bar, is drawn into the situation when a victim's ghost appears to her—and to Jude. She and Jude share an attraction, and not just because of their mutual talent. There are many suspects, but one by one they're ruled out... Or are they? In the end, Jude and Alexi have to rely on each other to catch the killer and escape his evil plans for Alexi. Welcome to Lucky Valley, Colorado, where nothing is quite what it seems. The Garden Gnome Bed and Breakfast might be a new kooky weekend getaway spot, but for Lily Goode the inheritance represents the promise of a stable future for her and her siblings. Unfortunately, the house isn't the only thing she inherited. The bed-and-breakfast also comes equipped with witchy Aunt Polly, troublesome garden gnomes, a town that hates her, newfound magical powers that misfire, and a werewolf boyfriend she shouldn't have asked to move in with her. When a guest is found dead during her grand opening, Lily knows she has to solve the mystery of what happened before the B&B is closed forever. Lucky for her, Aunt Polly is here to help save the day. This is the perfect gift for the little ghost-hunter or paranormal enthusiast in your life! The acclaimed author of The Occult presents a groundbreaking theory of unexplained phenomena from ghosts and magic to the power of the unconscious. A renowned expert on the subject of occultism, Colin Wilson's sequel to his masterwork, The Occult, is "a major work" in its own right. In The Mysteries, Wilson continues his the investigation into magic, the paranormal, and the supernatural through extensive research as well as his own extraordinary

first-hand experiences. The result is “an extraordinary tour de force” of scholarship (New Science). Through a personal mystical experience, Wilson discovered that human beings consist of a ladder—or hierarchy—of selves, whose upper members may be called upon at will for personal transformation and deep knowledge. This experience inspired him to apply this insight to all paranormal phenomena, from precognition to Uri Geller's spoon bending. Wilson presents detailed studies of hauntings, possession and demonic hypnosis, as well as magic, the Kabbalah, and astrology. At the heart of his work is a fascinating discussion of the Great Secret of the alchemists, which he sees as the key to the mystery of the ladder of selves. Join the Ghostbusters as they fight some ghoulish creatures in this kid-friendly official picture book adaptation of the classic film *Setting: New York City*. Kid scientists Peter Venkman, Ray Stantz, and Egon Spengler are investigating ghosts and other paranormal activity in the city. They see their first ghost (Slimer) in the NYC Public Library and that leads them to create the Ghostbusters, setting up their "club" in an old firehouse. Soon, business is booming as the kids are recruited to capture ghosts throughout the city. Winston Zeddemore and Janine Melnitz become the club's first two important additions. But there is something sinister happening at an apartment building and the Ghostbusters must put a stop to it (and the Stay Puft marshmallow man) before the city is overrun with ghouls. With the paranormal becoming so mainstream in the last decade between television, books, and movies, is the craze actually brand new? Before there was the entertainment industry that we know of today, plays and musicals were one of the primary forms of expression and reflections of society's beliefs of their time. This book will cover an analysis of the belief in the supernatural throughout the course of humanity's existence and showing that in a way, the paranormal has always been normal. Using elements of theatre as the research vehicle, as well as establishing the relationship between acting and the unknown, this book examines the rich relationship between theatre and the paranormal. Finally, this book will challenge the reader to consider the possibility of using theatre as a method for researching and investigating the paranormal. Readers will be asked to consider what would happen if investigators and "ghost hunters" took on the role of an actor and the

haunted location becomes a performance space, thus welcoming communication and activity from the other side. Shadow people are some of the most mysterious entities in the known universe, and Mike Ricksecker has experienced many, starting with a tall, dark humanoid figure that appeared in his room as a child. While examining who or what these dark beings may actually be and sharing the ominous experiences of several others, Ricksecker recounts his interactions with shadows, which also include a black mass that formed in a bedroom where a girl had seen an entity with red eyes, a crawler that crept its way around an abandoned desecrated church, and many more. *A Walk In The Shadows* addresses these tantalizing questions: What are the different types of shadow people and their characteristics? What's the relationship between shadow people and sleep paralysis? Are shadow entities interdimensional beings or, perhaps, players in a simulated universe? Are shadow people evil, or have they been miscast as the darkest of the dark in the supernatural realm? Are some shadow people actually extraterrestrials? What does a renowned demonologist with nearly 50 years of experience have to say about shadow entities? *A Walk In The Shadows* explores the secrets of the dark while unveiling an enigmatic world feared by many and misunderstood by most. Lightning isn't the only thing streaking in small-town Wisconsin. Warlock Raibeart MacGregor is on the prowl and looking for his true love. He has only one question for any lassie he meets, "Will ya marry me?" With his sanity often questioned by those who know him best, Raibeart believes there is a method to his madness. At least he hopes so. He's convinced his true love exists, but he just can't seem to find her. Plagued by nightmares, he's compelled to run himself to exhaustion each night to keep them at bay. The fact that he prefers to drop the kilt while doing so is just a bonus. But when those nightmares begin to bleed into reality, he realizes the woman he's been searching for is literally the one tormenting his dreams. Katherine Galbraith has been imprisoned by magick for so long that she can't even remember what her crime was beyond the vague impression that she once loved a warlock. Bound to a world that never changes, she spends her days wishing for an end. But when prison walls begin to crack, she must decide if she wants a second chance at lost love or if that love is the reason for all her suffering.

Magic, Mischief, and Kilts! From the Highlands of Scotland to the valleys of Wisconsin... Book Ten of the Warlocks MacGregor® series by NY Times and USA TODAY Bestselling Author, Michelle M. Pillow.

About the Warlocks MacGregor® Series People know magic is fake--card tricks and illusions, magicians and entertainers. But there is an older magick, a powerful force hidden from modern eyes, buried in folklore and myths, remembered by the few who practice the old ways and respect the lessons of past generations. The term "warlock" is a variation on the Old English word waerloga, primarily used by the Scots. It meant traitor, monster or deceiver. This fiction-based family includes males and females of magick. The MacGregors do not agree with how history has labeled them, or other supernaturals. To them, warlock means magick, family, and immortality. This series is not a portrayal of modern-day witchcraft or those who hold such beliefs. The MacGregors are a magickal class all their own. Warning: Contains yummy, hot, mischievous MacGregors who are almost certainly up to no good on their quest to find true love. And Uncle Raibeart.
