When an esteemed Russian botanist is murdered, Wild American Society investigator Lauren Maxwell is shocked when her own gun turns up at the crime scene, and she must outmaneuver an assassin while trying to prove her innocence. Original. Lamb to the Slaughter is a novel about love and courage, sin and redemption. "Iron" Mike McGann, 32 years old, is facing the twilight of his prizefighting career. Desperate for his future, he has refused to honor his promise to his wife to quit the ring and start a family. In despair, his wife, Madge, is leaving him. Rufus "Hurricane" Hilliard, Mike's next opponent, is the most menacing presence in prizefighting. He has won all 22 of his fights by knockout and is said to be a former enforcer for something called The Black Mafia. But behind Rufus Hilliard's menacing ring presence lives a man nobody knows, a complex man who despises his own image. Unexpectedly left alone before his bout with McGann, Rufus "Hurricane" Hilliard is forced to confront the past that haunts him and the future he dreads. Charles "Charliehorse" O'Connell, Rufus's cornerman, has been terrorized by a mob kingpin to sabotage him. O'Connell, who is an alcoholic and a compulsive gambler, blames himself for the ring deaths of two prizefighters. Trapped in a moral crisis, Charles "Charliehorse" O'Connell must finally confront his "Cardinal Sin." Rufus "Hurricane" Hilliard vs "Iron" Mike McGann, just another fight shown on The Continuous Sports Network, but by the time it is over the lives of these and many others

will be forever different. Beloved pastor Adrian Rogers guides readers through the prophetic "blessing book" of Revelation, making clear the signs in our times that point to God's plan for his people in the end times. For centuries, authors have used the veil of fiction to cast a critical eye over the wider societal issue, such as Aldous Huxley, Tolkein and Mary Shelley. In an unprecedented collection, AK Press brings together some of the biggest names in contemporary fiction to illuminate this relationship with a specific focus on anarchist politics. Ranging in scope from serious political discussions to hilarious personal anecdotes, the interviews collected here paint an intimate portrait of the author as a political agent. A complete collection of the superb short stories which have appeared in: *Over To You*, *Kiss Kiss*, *Someone Like You*, *Switch Bitch* and eight further stories: *The Umbrella man*; *Mr Botibol*; *Vengeance in Mine inc*; *The Butler*; *Ah, Sweet Mystery of Life*; *The Bookseller*; *The Hitchhiker*, *The Surgeon*. An introduction to the literary and theological message of Revelation using the topics of evil and suffering as a conceptual organizer, which provides readers an immediate connection between this ancient text and their lives. Parish, a hobbling Richards and a lush DI from Norwich investigate the death of a child found in Hangman's Wood, which is linked to a spate of child abductions across the southeast by someone calling himself *The Removal Man*. Parish also receives a severed tongue and a location in the post. In his search for Jerry, Kowalski must travel to Wales to find out the truth behind his wife's disappearance. During his travels he must help a desperate Cookie who is on the run. Stick - with the help of Xena - solves the riddle of the blonde-haired children, but loses a partner in the process. And Parish finds out the terrible truth about his parents. In an exquisitely chilling debut novel, four children unravel the mystery of a family curse — and a ghostly creature known in folklore as *Long Lankin*. When Cora and her younger sister, Mimi, are sent to stay with their elderly aunt in the isolated village of *Byers Guerdon*, they receive a less-than-warm welcome. Auntie Ida is eccentric and rigid, and the girls are desperate to go back to London. But what they don't know is that their aunt's life was devastated the last time two young sisters were at *Guerdon Hall*, and she is determined to protect her nieces from an evil that has lain hidden for years. Along with Roger and Peter, two village boys, Cora must uncover the horrifying truth that has held *Bryers Guerdon* in its dark grip for centuries — before it's too late for little Mimi. Riveting and intensely atmospheric, this stunning debut will hold readers in its spell long after the last page is turned. In celebration of *Pride*, Tor.com Publishing presents four critically acclaimed novellas featuring LGBTQ+ characters. With *Miranda in Milan*, debut author Katharine Duckett reimagines the consequences of Shakespeare's *The Tempest*, casting Miranda into a Milanese pit of vipers and building a queer love story that lifts off the page in whirlwinds of feeling. After the tempest, after the reunion, after her father drowned his books, Miranda was meant to enter a brave new world. Naples awaited her, and Ferdinand, and a throne. Instead she finds herself in Milan, in her father's castle, surrounded by hostile servants who treat her like a ghost. Whispers cling to her like spiderwebs, whispers that carry her dead mother's name. And though he promised to give away his power, Milan is once again contorting around Prospero's dark arts. With only Dorothea, her sole companion and confidant to aid her, Miranda must cut through the mystery and find the truth about her father, her mother, and herself. NPR calls *Every Heart a Doorway* "a mini-

masterpiece of portal fantasy — a jewel of a book that deserves to be shelved with Lewis Carroll's and C. S. Lewis' classics". Hugo, Nebula, Locus, and Alex AWARD winner, World Fantasy and British Fantasy Award finalist, and Tiptree Honor List title. Eleanor West's Home for Wayward Children No Solicitations No Visitors No Quests Children have always disappeared under the right conditions; slipping through the shadows under a bed or at the back of a wardrobe, tumbling down rabbit holes and into old wells, and emerging somewhere... else. But magical lands have little need for used-up miracle children. Nancy tumbled once, but now she's back. The things she's experienced... they change a person. The children under Miss West's care understand all too well. And each of them is seeking a way back to their own fantasy world. But Nancy's arrival marks a change at the Home. There's a darkness just around each corner, and when tragedy strikes, it's up to Nancy and her new-found schoolmates to get to the heart of things. No matter the cost. The sisters of the Order of Saint Rita captain their living ship into the reaches of space in Lina Rather's debut novella, Sisters of the Vast Black. Years ago, Old Earth sent forth sisters and brothers into the vast dark of the prodigal colonies armed only with crucifixes and iron faith. Now, the sisters of the Order of Saint Rita are on an interstellar mission of mercy aboard Our Lady of Impossible Constellations, a living, breathing ship which seems determined to develop a will of its own. When the order receives a distress call from a newly-formed colony, the sisters discover that the bodies and souls in their care—and that of the galactic diaspora—are in danger. And not from void beyond, but from the nascent Central Governance and the Church itself. Sorcerer of the Wildeeps is the Crawford Award-winning novella that Wired listed as one of their twenty-five all-time favorite books. Critically acclaimed author Kai Ashante Wilson makes his commercial debut with this striking, wondrous tale of gods and mortals, magic and steel, and life and death that will reshape how you look at sword and sorcery. Since leaving his homeland, the earthbound demigod Demane has been labeled a sorcerer. With his ancestors' artifacts in hand, the Sorcerer follows the Captain, a beautiful man with song for a voice and hair that drinks the sunlight. The two of them are the descendants of the gods who abandoned the Earth for Heaven, and they will need all the gifts those divine ancestors left to them to keep their caravan brothers alive. The one safe road between the northern oasis and southern kingdom is stalked by a necromantic terror. Demane may have to master his wild powers and trade humanity for godhood if he is to keep his brothers and his beloved captain alive. A portrait of a yuppie success story? No. A portrait of child killer, Derek Ernest Percy. In this definitive, graphically chilling account of Percy's life, a man dubbed by a prison officer as

'Australia's answer to Hannibal Lecter', award-winning true-crime author Debi Marshall applies her investigative journalism skills to a forensic examination of the crimes, the man and his modus operandi. Informed by exclusive material never before seen - poignant and insightful interviews with Percy's mother, victims' families, psychiatrists, police officers and former colleagues - Marshall also takes us on her personal journey as she seeks to unravel the truth about the monster whose lonely, idiosyncratic character has deceived the best psychiatric minds for 40 years. Is Derek Percy responsible for Australia's worst unsolved child abductions and murders? Is he mad - or just bad? "A well-crafted tale of murder begotten by the collision of two incompatible worlds." -Kirkus Reviews

Some Amish communities aren't so cozy. The death of a teenage Amish girl in a cornfield looks like an accident, but sheriff Serenity Adams suspects foul play. To solve the murder, she must investigate the nearby Amish community with the help of a man who was shunned years ago. At first glance, the case seems obvious. The poor girl was probably accidentally shot during hunting season, but when the elders of the Amish community and even the girl's parents react with uncaring subdued behavior, Serenity becomes suspicious. As she delves deeper into the secretive community that she grew up beside, she discovers a gruesome crime from the past that may very well be related to the Amish girl's shooting. Serenity's persistence leads her to a stunning discovery that not only threatens to destroy her blossoming romance with Daniel Bachman, but may even take her life in the end.

Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . Lamb to the Slaughter is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer ) This story is also available as a Penguin digital audio download read by Juliet Stevenson.

Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today. A "master class in storytelling and survival." —Publisher's Weekly (starred review)

Welcome to The Slaughtered Lamb Bookstore and Bar. I'm Sam Quinn, the werewolf book nerd in charge. I run my business by one simple rule: Everyone needs a good book and a stiff drink, be they vampire, wicche, demon, or fae. No wolves, though. Ever. I have my reasons. I serve the supernatural community of San Francisco. We've been having some problems lately. Okay, I'm the one with the problems. The broken body of a female werewolf washed up on my doorstep. What makes sweat pool at the base of my spine, though, is realizing the scars she bears are identical to the ones I conceal. After hiding for years, I've been found. A protection I've been relying on is gone. While my wolf traits are strengthening steadily, the loss also left my mind vulnerable to attack. Someone is

ensnaring me in horrifying visions intended to kill. Clive, the sexy vampire Master of the City, has figured out how to pull me out, designating himself my personal bodyguard. He's grumpy about it, but that kiss is telling a different story. A change is taking place. It has to. The bookish bartender must become the fledgling badass. I'm a survivor. I'll fight fang and claw to protect myself and the ones I love. And let's face it, they have it coming. \*\*\* The reviews are in: "Kelly (Welcome Home, Katie Gallagher) introduces fierce, lovable heroine Sam Quinn with this master class in storytelling and survival. Seven years ago, Sam was attacked, raped, and forcibly turned into a werewolf, putting an end to her life as she knew it. She's since made a home for herself in San Francisco, opening a combination bookstore/bar catering exclusively to the supernatural community. A loner by nature and still contending with her trauma, she's content to lie low without a wolf pack of her own. But when dead bodies begin piling up across the city and Sam receives a threat from an unknown source, she finds herself surrounded by a phalanx of friends she never realized she had. Among them is Clive, the leader of the city's vampire community, whose good looks attract Sam "like a zombie to brains." Kelly pulls off an impressive feat, weaving the sensitively handled story of Sam's emotional recovery through a rollicking adventure. The unique setting and endearingly quirky side characters only add to the charm. Readers will delight in both the humor and the heartache of this powerful urban fantasy, and they'll be eager to see where Sam goes next." (Publisher's Weekly (starred review)) "This action-packed paranormal series launch will appeal to readers who enjoy a plot-driven, female-centric journey of growth with a side of romance. Great for fans of Patricia Briggs's Alpha and Omega series." (Book Life (Editor's pick)) An orphan and a fugitive find a connection in their secret pasts in this "love story that moves with the pace of a thriller" from an award-winning author (Yorkshire Post). At sixteen, Lamb walks out on her life. Her parents are dead and she has no brothers or sisters. For money, she cleans people's homes. For shelter, she lives in the cellar of an elderly client. For survival, she imagines herself as a tightrope walker—one foot in front of the other, eyes straight ahead, and never allowing anyone to touch her, lest she lose her balance. Then she meets Doggo. And Lamb can feel herself falling. Doggo walked out on his life, too—or more precisely, he ran. A fugitive fleeing from a violent criminal past, he needs Lamb's help staying under the radar. Quick-tempered, foul-mouthed, yet surprisingly tender, Doggo needs Lamb in other ways, too. But the closer they get, the more Lamb risks her precarious balance between life and death. And fear has never felt so comforting. Now *You See Me*, from Somerset Maugham Award winner Lesley Glaister, is an empowering novel about loneliness, trust, the fictions we tell ourselves to survive, and the primal need to connect. It also "boasts a protagonist so heartbreakingly well-realized that you are forced to live through her eyes, in her head, her heart . . . if only all fiction made us worry and care so hard, posed us such dreadfully difficult questions" (The Guardian). "Glaister is at her best . . . written in the crisply poetic prose for which she's known, [she] transforms the bleakest situations into compelling fiction." —The Independent "Before Gillian Flynn, there was Lesley Glaister." —Harper's Bazaar Born to privilege, living on the edge of the royal circle, Lady Diana Spencer assumed-like everyone else-that little adjustment would be needed to adapt to her new role, the Princess of Wales and future Queen of England. What everyone, including Diana, failed to

factor in was that Charles, at age thirty-three, was not only a confirmed bachelor, surrounded from infancy with people to anticipate and provide his every need, he was also in a long-term, committed relationship. However, it was his duty to marry and provide an heir to the throne of England. Meanwhile, Diana, almost a generation younger, envisioned (as Edward VIII had) what a modern monarchy could be; how it could be relevant in today's complex society—a monarchy she was determined to have for her son. That these two forces—the status quo and the Modern England—should clash was inevitable, but no one was prepared for the cataclysmic climax in the story of the Queen England never had—Diana, Princess of Wales, the Lamb to the Slaughter. Wishing and Hoping by Tinnean—It's finally the day of Ioan's eighteenth birthday, and all that he's been waiting for will finally be his—including the love of the man he's secretly been in love with all these years. Everything is perfect. Until the love of his life shows up to his birthday party with a wife. Lamb to the Slaughter by Joanna Chambers—There is very little Lucien enjoys more than the hunt of young men: beautiful, innocent, eager to learn all that a mature man like Lucien might be able to teach them... Smolder by Christi Snow—All Zack wants is to be left alone. When Marissa, his boss, calls with orders that he take care of a new vampire in her area because she can't, he's absolutely certain this assignment is going to go any way but well. Lilac and Leather by Maris Black—Halloween night, and Matt would prefer to be anywhere but in an over-crowded club, especially when an old lover shows up, and he finally has to admit he's gay. But the night takes a turn for the strange—and hot—when he meets the beautiful, mysterious Nicky... All proceeds from this anthology will be donated to the Rainbow Railroad. Death cults, queer love, and the end of everything. Spaceships, man-eating lesbian mermaids, swords, spears, demons, ghouls, thieves, hitchhikers, and life in the margins. Margaret Killjoy's stories have appeared for years in the science fiction and fantasy magazines both major and indie. Here, we have collected the best previously published work along with brand new material. Ranging in theme and tone, these imaginative tales bring the reader on a wild and moving ride. They'll encounter a hacker who programs drones to troll CEOs into quitting; a group of LARPer who decide to live as orcs in the burned forests of Oregon; queer, teen love in a death cult; the terraforming of a climate-changed Earth; polyamorous love on an anarchist tea farm during the apocalypse; and much more. Killjoy writes fearless, mind-expanding fiction that is redefining the genre. Dimos Horacki is a Borolian journalist and a cynical patriot, his muckraking days behind him. But when his newspaper ships him to the front, he's embedded in the Imperial Army and the reality of colonial expansion is laid bare before him. His adventures take him from villages and homesteads to the great refugee city of Hronople, built of glass, steel, and stone, all while a war rages around him. The empire fights for coal and iron, but the anarchists of Hron fight for their way of life. A Country of Ghosts is a novel of utopia besieged and a tale that challenges every premise of contemporary society. Learn how to humanely slaughter cattle and butcher your own beef. In this straightforward guide, Adam Danforth provides clear instructions and step-by-step photography of the entire butchering process, from creating the right preslaughter conditions through killing, skinning, keeping cold, breaking the meat down, and perfecting expert cuts. With plenty of encouragement and expert advice on food safety, packaging, and necessary equipment, this comprehensive guide has all the

information you need to start butchering your own beef. "You're using me," I said. "That might be true, but I also love you." One is the Lady of the Waking Waters, an immortal mermaid. The twenty-fifth anniversary edition of the #1 New York Times bestselling classic, now with a note by author Thomas Harris revealing his inspiration for Hannibal Lecter. An ingenious, masterfully written novel, *The Silence of the Lambs* is a classic of suspense and storytelling and the basis for the Oscar award-winning horror film starring Jodie Foster as Clarice Starling and Anthony Hopkins as Dr. Hannibal Lecter. A serial murderer known only by a grotesquely apt nickname—Buffalo Bill—is stalking particular women. He has a purpose, but no one can fathom it, for the bodies are discovered in different states. Clarice Starling, a young trainee at the F.B.I. Academy, is surprised to be summoned by Jack Crawford, Chief of the Bureau's Behavioral Science section. Her assignment: to interview Dr. Hannibal Lecter, a brilliant psychiatrist and grisly killer now kept under close watch in the Baltimore State Hospital for the Criminally Insane. Lecter's insight into the minds of murderers could help track and capture Buffalo Bill. Smart and attractive, Starling is shaken to find herself in a strange, intense relationship with the acutely perceptive Lecter. His cryptic clues—about Buffalo Bill and about her—launch Clarice on a search that every reader will find startling, harrowing, and totally compelling. *The Lamb Will Slaughter the Lion* by Margaret Killjoy pits utopian anarchists against rogue demon deer in this dropkick-in-the-mouth punk fantasy that Alan Moore calls "scary and energetic." Searching for clues about her best friend's mysterious suicide, Danielle ventures to the squatter, utopian town of Freedom, Iowa, and witnesses a protector spirit — in the form of a blood-red, three-antlered deer — begin to turn on its summoners. She and her new friends have to act fast if they're going to save the town — or get out alive. "Intelligent and fiercely imagined." —Alan Moore "A dark story of the human need for power." —Eileen Gunn "Daring anti-fantasy." —Nick Mamatas "A unique bite of punk culture." —Delilah S. Dawson "Important, thought-provoking...thrilling ride." —Lewis Shiner "Always vivid." —Tobias Buckell "As relatable as it is harrowing." —Leanna Renee Hieber "Utterly engrossing...it refuses to let you go." —Mur Lafferty At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. In this page-turning novel of unparalleled romantic suspense by master storyteller Dorothy Eden, a woman disappears and her best friend is plunged into mortal danger Alice Ashton arrives in the middle of a fierce downpour to visit a longtime friend. But when she arrives, there's no sign of Camilla. The cottage's only occupants are a black magpie who quotes Poe and a yellow cat. And the intruder who just crept out the back door. With no one to turn to, Alice is forced to rely on her former beau, Felix Dodsworth, who left her for Camilla. Then a man called Dundas Hill arrives. Could the widower and single father be the mysterious D in Camilla's daily calendar? Or is it Dalton Thorpe, with whom Camilla may have eloped? Now Alice is the target, as a cunning killer leads her to her doom. After serving five years for the murder of his wife, Trevor Lamb is a free man, thanks to idealistic lawyer Jude Dilanchion, whose bestselling book cast doubt on Trevor's guilt. So now the prodigal son is

returning home with Jude in tow. But soon after they're arrival in Hope's End, another murder takes place. From the author of Stranglehold. Johanna Michaelsen takes the concerned parent into the world of the innocent child by exploring and exposing the growing power of the occult in the lives of our children. Join Margaret Feinberg, one of America's most beloved teachers and writers, as she sets out on a remarkable journey to unearth God's perspective on food. What you discover will forever change the way you read the Bible--and approach every meal. This groundbreaking book provides a culinary exploration of Scripture. The compilation features such Block trademark characters as Matthew Scudder and dapper defense attorney Martin Ehrengraf. Essay from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 2.0, University of Potsdam, 0 entries in the bibliography, language: English, abstract: Dahl touches the taboo theme of committing a murder here which is not typical for a short story. It occurred to me that the story better fits into the genre of crime fiction. In the following I will discuss whether this is true or not, whether Roald Dahl's Lamb to the slaughter carries the main features of that genre or not. They are poor little lambs who have lost their way: a murderous madman feigning madness; a beautiful woman, dangerous to look at and lethal to touch; a shy little boy quietly testing his newfound power to destroy. An author's murder during an H. P. Lovecraft fan convention reveals dark secrets beneath the printed page in this biting murder-mystery satire. At the Summer Tentacular, murder is non-fiction. For fans of legendary pulp author H. P. Lovecraft, there is nothing bigger than the annual Providence-based convention the Summer Tentacular. Horror writer Colleen Danzig doesn't know what to expect when she arrives, but is unsettled to find that among the hobnobbing between scholars and literary critics are a group of real freaks: book collectors looking for volumes bound in human skin, and true believers

claiming the power to summon the Elder God Cthulhu, one of their idol's most horrific fictional creations, before the weekend is out. Colleen's trip spirals into a nightmare when her roommate for the weekend, an obnoxious novelist known as Panossian, turns up dead, his face neatly removed. What's more unsettling is that, in the aftermath of the murder, there is little concern among the convention goers. The Summer Tentaacular continues uninterrupted, except by a few bumbling police. Everyone at the convention is a possible suspect, but only Colleen seems to show any interest in solving the murder. So she delves deep into the darkness, where occult truths have been lurking since the beginning of time. A darkness where Panossian is waiting, spending a lot of time thinking about Colleen, narrating a new Lovecraftian tale that could very well spell her doom. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors. Auggie Pullman, who was born with extreme facial abnormalities, goes from being home-schooled to entering fifth grade at a private middle school in Manhattan, which entails enduring the taunting and fear of his classmates. The first book in the stunning Blood of the Lamb trilogy, full of action, suspense and drama. The Crossing is the first book in a stunning trilogy that follows the fate of Maryam and her unlikely companions - Joseph, Ruth and Lazarus. This is fast, suspenseful drama underpinned by a powerful and moving story about love and loss. The people of Onewere, a small island in the Pacific, know that they are special - chosen to survive the deadly event that consumed the Earth. Now, from the rotting cruise ship Star of the Sea, the elite control the population - manipulating old texts to set themselves up as living 'gods'. But what the people of Onewere don't know is this: the leaders will stop at nothing to meet their own blood-thirsty needs. When Maryam crosses from child to woman, she must leave everything she has ever known and make a crossing of another kind. But life inside the ship is not as she had dreamed, and she is faced with the unthinkable: obey the leaders and very likely die, or turn her back on every belief she once held dear. 'Like 1984 for teenagers - direct, passionate and powerful' - Margaret Mahy. Winner of the NZ Post Book Award for YA fiction 2010. A fantastical reimagining of the American West which draws its influence from steampunk, the American western tradition, and magical realism. The world is only half made. What exists has been carved out amidst a war between two rival factions: the Line, paving the world with industry and claiming its residents as slaves; and the Gun, a cult of terror and violence that cripples the population with fear. The only hope at stopping them has seemingly disappeared—the Red Republic that once battled the Gun and the Line, and almost won. Now they're just a myth, a bedtime story parents tell their children, of hope. To the west lies a vast, uncharted world, inhabited only by the legends of the immortal and powerful Hill People, who live at one with the earth and its elements. Liv Alverhyusen, a doctor of the new science of psychology, travels to the edge of the made world to a spiritually protected mental institution in order to study the

minds of those broken by the Gun and the Line. In its rooms lies an old general of the Red Republic, a man whose shattered mind just may hold the secret to stopping the Gun and the Line. And either side will do anything to understand how. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Samuel, 13, spends his days in the forest, hunting for food for his family. He has grown up on the frontier of a British colony, America. Far from any town, or news of the war against the King that American patriots have begun near Boston. But the war comes to them. British soldiers and Iroquois attack. Samuel's parents are taken away, prisoners. Samuel follows, hiding, moving silently, determined to find a way to rescue them. Each day he confronts the enemy, and the tragedy and horror of this war. But he also discovers allies, men and women working secretly for the patriot cause. And he learns that he must go deep into enemy territory to find his parents: all the way to the British headquarters, New York City. Trains that go to unexpected places. A steampunk quartet. Stories that shake the tree. Stories that question normal practices.
