True Grit Oct 27 2022 The Young Readers edition of the beloved American classic. Also available in a trade paperback edition (ISBN: 978-1-59020-459-7) with an afterword by Donna Tartt, Pulitzer Prize-winning author of "The Goldfinch" "True Grit" is a great American novel that tells the story of a teenager's overpowering effort to avenge the murder of her father. Set in a period in history when the law was much less well-established than it is now, True Grit takes its place alongside books like "To Kill a Mockingbird" and the novels of Mark Twain. It is a beloved American classic through and through. Leonard S. Marcus, renowned children's book historian, has written a wonderful afterword meant especially for a young readership, available only in this edition.

The Novel Cure Nov 15 2021 A novel is a story, a collection of experiences transmitted from the mind of one to the mind of another. It offers a way to unwind, a way to focus, a way to learn about life—distraction, entertainment, and diversion. But it can also be something much more powerful. When read at the right time in your life, a novel can—quite literally—change it. The Novel Cure is a reminder of that power. To create this apothecary, the authors have trawled through two thousand years of literature for the most brilliant minds and engrossing reads. Structured like a reference book, it allows readers to simply look up their ailment, whether it be agoraphobia, boredom, or midlife crisis, then they are given the name of a novel to read

as the antidote.

True Grit Apr 20 2022 True Grit tells the story of Mattie Ross, who is just fourteen when the coward Tom Chaney shoots down her father in Fort Smith, Arkansas, and robs him of his life, his horse, and \$150 in cash. Determined to avenge the killing, Mattie enlists the help of Rooster Cogburn, the meanest available U.S. Marshal, and pursue the killer into Indian Territory. As Mattie outdickers and outmaneuvers the hard-bitten types in her path, her vitality and resourcefulness amuse, impress, and touch the reader. What happens--to Mattie, to the gang of outlaws unfortunate enough to tangle with her, to Rooster and the swaggering Texas Ranger LeBoeuf--rings with the dramatic rightness of legend. An instant bestseller and critical success upon its first publication and the basis for two Academy Award-winning films, True Grit is an American Classic through and through. The Young Readers Edition includes the complete text of True Grit, an afterword by Leonard S. Marcus and discussion questions.

Grit to Great Sep 01 2020 It is not native intelligence or natural talent that makes people excel, it's old-fashioned hard work, sweat equity, and determination. In Grit to Great, Linda Kaplan Thaler and Robin Koval tackle a topic that is close to their hearts, one that they feel is the real secret to their own success in their careers--and in the careers of so many people they know and have met. And that is the incredible power of grit, perseverance, perspiration, determination, and sheer stick-to-it-tiveness. We are all dazzled by the notion that there are some people who get ahead, who reach the corner office because they are simply gifted, or well-connected, or both. But research shows that we far overvalue talent and intellectual ability in our culture. The fact is, so many people get ahead--even the gifted ones--because they worked incredibly hard, put in the thousands of hours of practice and extra sweat equity, and made their own luck. And Linda and Robin should know--they are two girls from the Bronx who had no special advantages or privileges and rose up through their own hard work and relentless drive to succeed to the top of their highly competitive profession. In a book illustrated with a cornucopia of stories and the latest research on success, the authors reveal the strategies that helped them, and countless others, succeed at the highest levels in their careers and professions, and in their personal lives. They talk about the guts--the courage--necessary to take on

tough challenges and not give up at the first sign of difficulty. They discuss the essential quality of resiliency. Everyone suffers setbacks in their careers and in life. The key, however, is to pick yourself up and bounce back. Drawing on the latest research in positive psychology, they discuss why optimists do better in school, work, and on the playing field--and how to reset that optimistic set point. They talk about industriousness, the notion that Malcolm Gladwell popularized with the 10,000-hour rule in his book *Outliers*. Creativity theorist Mihaly Csikszentmihalyi believes it takes a minimum of 10 years for one's true creative potential to be realized. And the authors explore the concept of tenacity--the quality that allows us to remain focused and avoid distraction in order to get the job done--an increasingly difficult task in today's fragmented, cluttered, high-tech, connected world. Written in the same short, concise format as *The Power of Nice* and leavened with the natural humor that characterizes Linda's and Robin's lives--and books--*Grit to Great* is destined to be the book everyone in business needs.

The Lost Art of Reading Jan 06 2021 Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and it's seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's own. Are we willing to risk our collective interest in contemplation, nuanced thinking, and empathy? Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, to pages.

Personal Days Nov 23 2019 In an unnamed New York-based company, the employees are getting restless as everything around them unravels. There's Pru, the former grad student turned spreadsheet drone; Laars, the hysteric whose work anxiety stalks him in his tooth-grinding dreams; and Jack II, who distributes unwanted backrubs--aka "jackrubs"--to his co-workers. On a Sunday, one of them is called at home. And the Firings begin. Rich with Orwellian doublespeak, filled with sabotage and romance, this

astonishing literary debut is at once a comic delight and a narrative tour de force. It's a novel for anyone who has ever worked in an office and wondered: "Where does the time go? Where does the life go? And whose banana is in the fridge?" Praise for *PERSONAL DAYS* "Witty and appealing...Anyone who has ever groaned to hear 'impact' used as a verb will cheer as Park skewers the avatars of corporate speak, hellbent on debasing the language....Park has written what one of his characters calls 'a layoff narrative' for our times. As the economy continues its free fall, Park's book may serve as a handy guide for navigating unemployment and uncertainty. Does anyone who isn't a journalist think there can't be two books on the same subject at the same time? We need as many as we can get right now." -The New York Times Book Review "Never have the minutiae of office life been so lovingly cataloged and collated." -"Three First Novels that Just Might Last," -Time A "comic and creepy début...Park transforms the banal into the eerie, rendering ominous the familiar request "Does anyone want anything from the outside world?" -The New Yorker "The modern corporate office is to Ed Park's debut novel *Personal Days* what World War II was to Joseph Heller's *Catch-22*—a theater of absurdity and injustice so profound as to defy all reason....Park may be in line to fill the shoes left by Kurt Vonnegut and other satirists par excellence."—Samantha Dunn, *Los Angeles Times* "In *Personal Days* Ed Park has crafted a sometimes funny, sometimes heartbreaking, but always adroit novel about office life...Sharp and lovely language." -Newsweek "A warm and winning fiction debut." - Publishers Weekly "I laughed until they put me in a mental hospital. But *Personal Days* is so much more than satire. Underneath Park's masterly portrait of wasted workaday lives is a pulsating heart, and an odd, buoyant hope." - Gary Shteyngart, author of *Absurdistan* "The funniest book I've read about the way we work now." -William Poundstone, author of *Fortune's Formula* "Ed Park joins Andy Warhol and Don DeLillo as a master of the deadpan vernacular." -Helen DeWitt, author of *The Last Samurai*

True Grit May 10 2021 "True Grit" is Charles Portis; beroemdste westernroman en vertelt het verhaal van Mattie Ross, die veertien jaar oud is wanneer een lafaard genaamd Tom Chaney haar vader van achteren neerschiet in Fort Smith, Arkansas, en hem niet alleen berooft van zijn leven, maar ook van zijn paard en honderdvijftig dollar. Mattie verlaat haar ouderlijk huis, met als doel haar vader te wreken. Ze huurt de hardste en meest

rücksichtlose marshal in die ze kan vinden, de eenogige Rooster Coghurn, om Chaney, die zich schuilhoudt in een indianenreservaat, op te sporen. Het gehele boek wordt verteld door de ogen van de tiener Mattie, maar de knipogen zijn duidelijk die van een volwassene. Daardoor komt het in het boek aanwezige geweld nooit als een schok aan, maar wordt het terloops meegegeven (Op het politiebureau troffen we twee agenten die met elkaar in gevecht waren, en dus niet beschikbaar bleken voor het verstrekken van inlichtingen), als iets wat dagelijkse kost is, wat hoort bij het leven in het wilde Westen. Toch verliest Charles Portis nooit uit het oog dat een western voornamelijk op actie gericht moet zijn, en is de obligatoire shoot-out er dan ook eentje die volledig aan de verwachtingen voldoet;

True grit (large print) May 29 2020

Maelstrom Jun 30 2020 The spectacular alternate military history saga continues in the third novel in the New York Times bestselling Destroyermen series... Lieutenant Commander Matthew Reddy, along with the men and women of the battleship Walker, are once again at war. Having sided with the peaceful Lemurians against the savage, reptilian Grik, they now find themselves scrambling to prepare for the attack that is sure to come. Meanwhile, the Japanese juggernaut Amagi, also trapped in this strange world, is under Grik control. Soon, they will have amassed a force that no amount of fire-power and technology will be able to stop. Reddy, his crew, his allies, and his loved ones face annihilation. But if there is one thing they have learned about their new world, it is that hope-and help-may just be over the horizon...

The Dog of the South Feb 04 2021 From the author of 'True Grit' comes this novel, 'The Dog of the South'.

True Grit Dec 29 2022

The Talented Mr Ripley Apr 28 2020

Geronimo Rex Oct 03 2020 Harry Monroe leaves his Louisiana hometown to travel around the South of the 1950s and 60s.

A Perfect Spy Mar 08 2021 "The best English novel since the war." -- Philip Roth Over the course of his seemingly irreproachable life, Magnus Pym has been all things to all people: a devoted family man, a trusted colleague, a loyal friend-and the perfect spy. But in the wake of his estranged father's death, Magnus vanishes, and the British Secret Service is up in arms. Is it grief, or is the reason for his

disappearance more sinister? And who is the mysterious man with the sad moustache who also seems to be looking for Magnus? In *A Perfect Spy*, John le Carré has crafted one of his crowning masterpieces, interweaving a moving and unusual coming-of-age story with a morally tangled chronicle of modern espionage.

A Judgement In Stone Dec 05 2020 A gripping tragedy of crime and class, widely regarded as one of multi-million copy and SUNDAY TIMES bestselling author Ruth Rendell's seminal masterworks and a crime fiction classic. Fans of PD James, Ann Cleeves and Donna Leon will not be disappointed. 'One of her masterpieces' -- Telegraph 'A classic' - The Times 'Quite possibly the best crime book I have ever read' -- ***** Reader review 'One hell of a book' -- ***** Reader review 'An altogether engrossing book' -- ***** Reader review 'A compelling and addictive read' -- ***** Reader review 'An absolute classic - can only be described in superlatives' -- ***** Reader review *****
***** 'Eunice Parchman killed the Coverdale family because she could not read or write.' Eunice, the Coverdales' housekeeper, guns down four of her employers in the space of fifteen minutes one Valentine's Day. None of them suspected anything. Her motive remained hidden. As the police investigate, Eunice schemes to escape the blame - desperate to preserve the terrible secret of her illiteracy. But Eunice's blindness to a crucial aspect of the world throws her plans into jeopardy...

America's Revolutionary Mind Sep 13 2021 *America's Revolutionary Mind* is the first major reinterpretation of the American Revolution since the publication of Bernard Bailyn's *The Ideological Origins of the American Revolution* and Gordon S. Wood's *The Creation of the American Republic*. The purpose of this book is twofold: first, to elucidate the logic, principles, and significance of the Declaration of Independence as the embodiment of the American mind; and, second, to shed light on what John Adams once called the "real American Revolution"; that is, the moral revolution that occurred in the minds of the people in the fifteen years before 1776. The Declaration is used here as an ideological road map by which to chart the intellectual and moral terrain traveled by American Revolutionaries as they searched for new moral principles to deal with the changed political circumstances of the 1760s and early 1770s. This volume identifies and analyzes the modes of

reasoning, the patterns of thought, and the new moral and political principles that served American Revolutionaries first in their intellectual battle with Great Britain before 1776 and then in their attempt to create new Revolutionary societies after 1776. The book reconstructs what amounts to a near-unified system of thought—what Thomas Jefferson called an “American mind” or what I call “America’s Revolutionary mind.” This American mind was, I argue, united in its fealty to a common philosophy that was expressed in the Declaration and launched with the words, “We hold these truths to be self-evident.”

Montana 1948 Jul 12 2021 The tragic tale of a Montana family ripped apart by scandal and murder: “a significant and elegant addition to the fiction of the American West” (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David’s father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family’s solid foundation was suddenly shattered by a bombshell revelation. The Hayden’s Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. Winner of the Milkweed National Fiction Prize

To Travel Hopefully Aug 01 2020 When Christopher Rush's wife died suddenly of cancer, leaving him with two young children, his world fell apart. He not only stopped writing, he also lost faith in everything that had informed his existence: literature, the arts, his role as teacher, his love of nature, the society of friends. Nothing could cure his almost suicidal depression. At last he decided to try to reclaim his sanity in the least expected of ways. A confirmed non-traveller, he went to France, bought a donkey and disappeared into the mountains of the Cevennes. Like a fellow Scot, Robert Louis Stevenson, who had made the same journey over a century before, he hoped to find a new reason to live. To Travel Hopefully is a memoir of grief and recovery, expressed in an intensely private but universal language, which records a compelling journey of the spirit from defeat to victory. Anyone who has had to confront bereavement

will find in these pages an understanding, experience and expression of the human predicament which go far beyond mere sympathy.

Room Apr 08 2021 Kidnapped as a teenage girl, Ma has been locked inside a purpose built room in her captor's garden for seven years. Her five year old son, Jack, has no concept of the world outside and happily exists inside Room with the help of Ma's games and his vivid imagination where objects like Rug, Lamp and TV are his only friends. But for Ma the time has come to escape and face their biggest challenge to date: the world outside Room.

Charles Portis: Collected Works (LOA #369) Dec 17 2021 The ultimate Portis: for the first time in one collector's volume, the complete fiction and collected nonfiction of the author of True Grit Rediscover a comic genius and master storyteller comparable to Mark Twain "Charles Portis is one of the great pure pleasures available in American literature." -Ron Rosenbaum "Like Mark Twain's Huckleberry Finn and Thomas Berger's Little Big Man, Charles Portis's True Grit captures the naïve elegance of the American voice." -Jonathan Lethem "No living Southern writer captures the spoken idioms of the South as artfully as Portis does." -Donna Tartt "His fiction is the funniest I know." -Roy Blount, Jr. Twice adapted as a film, first in a version starring John Wayne and then by the Coen Brothers, True Grit is a wonder of novelistic perfection, told in the unforgettable voice of 14-year-old Mattie Ross as she sets out to avenge her murdered father in a quest that brings her out of her native Arkansas and into the wilds of the Choctaw Nation of the 1870s. One of the great literary Westerns, it is also a novel that has invited comparison with The Wizard of Oz, Alice in Wonderland, and Adventures of Huckleberry Finn. Portis's deadpan debut novel Norwood (1966) is, like True Grit, the story of a quest, though here the stakes are far lower: an auto mechanic from Texas embarks on a madcap journey to New York City to try and recover \$70 owed to him from an Army buddy. A book that according to Roy Blount Jr. "no one should die without having read," The Dog of the South (1979) is yet a third saga of pursuit, this time all the way to Central America. Ray Midge is on the road looking for the man who has run off with his car (and of somewhat less interest to him, his wife.) Masters of Atlantis (1985) conjures the fictional cult of Gnomonism and takes an uproarious plunge into the dark heart of conspiratorial thinking and schismatic in-

fighting. *Gringos* (1991), set in Mexico, follows an expatriate ex-Marine in his search to find a UFO hunter gone missing in the Yucatan, amid a supporting cast of archaeologists, drug-addled hippie millenarians, and the son of the "bravest dog in all Mexico." A generous gathering of the nonfiction reveals Portis's skills as a reporter, above all in his coverage of the Civil Rights Movement; his appreciation of Arkansas history and landscape, as in "The Forgotten River"; and his poignancy as a family memoirist, on display in his recollection "Combinations of Jacksons."

The Dog of the South Aug 25 2022 His wife, Norma, has run off with her ex-husband, taking Ray's cards, shotgun and car. But from the receipts, Ray can track where they've gone. He takes off after them, as does an irritatingly tenacious bail bondsman, both following the romantic couple's spending as far as Mexico. There Ray meets Dr Reo Symes, the seemingly down-on-his-luck and rather eccentric owner of a beaten up and broken down bus, who needs a ride to Belize. The further they drive, in a car held together by coat-hangers and excesses of oil, the wilder their journey gets. But they're not going to give up easily.

True Grit May 22 2022

Gringos Jun 10 2021 Jimmy Burns is an expatriate American living in Mexico who has an uncommonly astute eye for the absurd little details that comprise your average American. For a time, Jimmy spent his days unearthing pre-Colombian artifacts. Now he makes a living doing small trucking jobs and helping out with the occasional missing person situation—whatever it takes to remain "the very picture of an American idler in Mexico, right down to the grass-green golfing trousers.†? But when Jimmy's laid-back lifestyle is seriously imposed upon by a ninety-pound stalker called Louise, a sudden wave of "hippiest†? (led by a murderous ex-con guru) in search of psychic happenings, and a group of archaeologists who are unearthing (illegally) Mayan tombs, his simple South-of-the-Border existence faces a clear and present danger.

Understanding Screenwriting Dec 25 2019 No Marketing Blurbs

Storm Surge Nov 03 2020 In the Pacific, as USS Walker is repaired and updated after a previous battle and Matt Reddy is healing from his wounds, planning begins for a bold raid on the very heart of the Grik Empire. But time is running out for the Alliance army in Indiaa, and the Allied forces in the west must gather in an unprecedented land, air, and sea campaign to

destroy the mighty Grik battle fleet and break through to their relief. All other plans go on hold when the attempt proves more difficult—and more heartbreakingly costly—than anyone imagined. Meanwhile, the struggle continues on other fronts near and far: in the jungles of Borno in distant southern Africa and in the Americas, where the Allies are finally learning the terrible truth about the twisted Dominion. The Alliance is on the offensive everywhere, but their enemies have a few surprises, including new weaponry and new tactics...and a stunning geographic advantage that Reddy never suspected. Until now.

The Benevolent Lords of Sometimes Island Jan 24 2020 "A fantastic coming-of-age thriller." – IndieReader (IR Approved) 2021 First Place for Middle-Grade/Young Adult – Writer's Digest Self-Published Book Awards 2021 Shortlisted – U.S. Selfies Book Awards 2020 Quarter Finalist for Young Adult Fiction – The BookLife Prize The summer of 1986. Central Texas. William and his friends should be having a blast. Instead, they are hounded by the Thousand Oaks Gang and their merciless leader, Bloody Billy. William found Billy's backpack. And because of what it contains, Billy desperately wants it back, and he'll do anything to get it. William hatches a plan for his friends to sneak away and hide in an abandoned lake house, except they become stranded on the lake's desolate island without food or water. Will their time on the island devolve into chaos? Will the friends survive and be rescued? The Benevolent Lords of Sometimes Island is Lord of the Flies meets The Body by Stephen King, the inspiration for the classic movie Stand By Me. A gripping suspense story with adventure and danger, tinged with humorous banter between the four friends, the middle schoolers face certain death without adults to protect them from the unrelenting natural elements, as well as the wild creatures that lurk in the wilderness around the lake. With a backpack filled with money and marijuana they stole from the merciless gang leader, it's only a matter of time before the high schoolers come looking for them, too. From award-winning writer Scott Semegran, The Benevolent Lords of Sometimes Island is his eighth book. This novel is Semegran's response to William Golding's 1954 novel Lord of the Flies, which was Golding's response to The Coral Island by R. M. Ballantyne, an adventure novel from 1858. All three novels tackle the premise of boys stranded on an island, with Semegran's novel taking a decidedly modern view of a group of friends in Central Texas during the summer of 1986 working to survive in a situation

filled with danger and desperation with only each other to rely on. "This well-crafted story will appeal to anyone who grew up in the '80s. Fans of *Stand by Me* will also enjoy this trip back in time. Although at times wistful, it's not a purely nostalgic ode to growing up, but a genuine, moving and irresistible meditation on the value of friendship." – BlueInk Review (Starred Review) "A fantastic coming-of-age thriller that puts a positive spin on troubled adolescence." – IndieReader (IR Approved) "Scott Semegran stretches his literary muscles in this highly accomplished and well-crafted read... a modern classic." – Readers' Favorite Book Reviews. 5 stars. "A page-turner. With his assured writing, tight plotting, and talent to fill a story with realistic details, Semegran has created another winner... A must read!" – The Prairies Book Review. 5 stars. "Evocative and compelling... a highly recommended, superb example of psychological twists and interpersonal encounters gone awry." – Midwest Book Review, D. Donovan, Senior Reviewer "Sharply drawn characters in an engaging, suspenseful coming-of-age tale." – Lone Star Literary Life "[Semegran] puts the dynamics of adolescent friendships at the heart of his story... an absorbing, nostalgic, and polished story." – Kirkus Reviews "Semegran excels at crafting vivid, realistic characters through sharp and nuanced descriptions. The narrator's warmth, humor, and candor is a joy to read." – The BookLife Prize. Overall: 9.75 out of 10.

Rooster: Mar 20 2022 *The True Story Behind True Grit*
Immortalized in the classic novel and films, the real "Rooster" Cogburn was as bold, brash, and bigger-than-life as the American West itself. Now, in this page-turning account, Cogburn's great-great-grandson reveals the truth behind the fiction--and the man behind the myth. . . He was born in 1866 in Fancy Hill, Arkansas, the descendant of pioneers and moonshiners. Six foot three, dark eyed, and a dead shot with a rifle, Franklin "Rooster" Cogburn was as hard as the rocky mountain ground his family settled. The only authority the Cogburn clan recognized was God and a gun. And though he never packed a badge, Rooster meted out his own brand of justice--taking on a posse of U.S. deputy marshals in a blazing showdown of gunfire and blood. Now a wanted man, with a \$500 reward on his head, Rooster would ultimately have to defend himself before a hanging judge. Proud, stubborn, fearless, and ornery to the bitter end. A fascinating portrait of a true American icon, Rooster shows us the making of

a legend--fashioned by Arkansas newspaperman Charles Portis with bits and pieces of historical figures, including Deputy Reuben M. Fry, one-eyed Deputy Marshal Cal Whitson, Joseph Peppers (Lucky Ned), Joseph Spurling (Mattie Ross's grandfather) and bank robber Frank Chaney (scar-faced Tom Chaney.) Behind it all stood a man named "Rooster," with two good eyes and a tale all his own. With never-before-seen photos Some folks are just born to tell tall tales. Brett Cogburn was reared in Texas and the mountains of Southeastern Oklahoma. He was fortunate enough for many years to make his living from the back of a horse, where on cold mornings cowboys still straddled frisky broncs and dragged calves to the branding fire on the end of a rope from their saddlehorns. Growing up around ranches, livestock auctions, and backwoods hunting camps filled Brett's head with stories, and he never forgot a one. In his own words: "My grandfather taught me to ride a bucking horse, my mother gave me a love of reading, and my father taught me how to hunt my own meat and shoot straight. Cowboys are just as wild as they ever were, and I've been damn lucky to have known more than a few." The West is still teaching him how to write. His first novel, *Panhandle*, will be published in November 2012. Brett Cogburn lives in Oklahoma with his family.

Norwood Jan 18 2022

True Grit Oct 15 2021 This book is Portis's most famous novel and the basis for the movie of the same name starring John Wayne. It tells the story of Mattie Ross, a 14-year-old girl from Arkansas in the 1870s, who sets out one winter to avenge the murder of her father.

True Grit Jan 30 2023 The story of a fourteen-year-old girl who sets out to avenge her father's death told in first person.

Swing Hammer Swing! Mar 27 2020 From the infamous Glasgow slum, the Gorbals, Tam Clay chronicles a week in his life, in the last days before the demolishers move in. Intersecting friends, old-timers and eccentrics, navigating his pregnant wife, frisky bedfellows and debt collectors, Tam stumbles through a derelict world on an odyssey of self-discovery. Wildly funny, outlandish and insanely ambitious - thirty years in the writing - Torrington's pulverised '60s Glasgow is crammed to the crevices with a blizzard of his unique and insatiable genius.

The Masters of Atlantis Jul 24 2022 Lamar Jimmerson is the leader of the Gnomon Society, the international fraternal order dedicated to preserving the arcane wisdom of the lost city of

Atlantis. Stationed in France in 1917, Jimmerson comes across a little book crammed with Atlantean puzzles, Egyptian riddles, and extended alchemical metaphors. It's the Codex Pappus - the sacred Gnomon text. Soon he is basking in the lore of lost Atlantis, convinced that his mission on earth is to administer to and extend the ranks of the noble brotherhood.

True grit Nov 27 2022

True Grit Feb 28 2023 There is no knowing what lies in a man's heart. On a trip to buy ponies, Frank Ross is killed by one of his own workers. Tom Chaney shoots him down in the street for a horse, \$150 cash, and two Californian gold pieces. Ross's unusually mature and single-minded fourteen-year-old daughter Mattie travels to claim his body, and finds that the authorities are doing nothing to find Chaney. Then she hears of Rooster - a man, she's told, who has grit - and convinces him to join her in a quest into dark, dangerous Indian territory to hunt Chaney down and avenge her father's murder.

Winter's Bone Aug 13 2021 "The lineage from Faulkner to Woodrell runs as deep and true as an Ozark stream in this book...his most profound and haunting yet." -- Los Angeles Times Book Review Ree Dolly's father has skipped bail on charges that he ran a crystal meth lab, and the Dollys will lose their house if he doesn't show up for his next court date. With two young brothers depending on her, 16-year-old Ree knows she has to bring her father back, dead or alive. Living in the harsh poverty of the Ozarks, Ree learns quickly that asking questions of the rough Dolly clan can be a fatal mistake. But, as an unsettling revelation lurks, Ree discovers unforeseen depths in herself and in a family network that protects its own at any cost.

Into the Storm Feb 25 2020 Pursued by Japanese battleships, the USS Walker, a destroyer under the command of Lieutenant Commander Matthew Patrick Reddy, tries to lose the enemy by heading into a storm, only to become trapped in a primitive alternate world, populated by strange crea

True Grit Sep 25 2022 The most famous novel by Charles Portis, *True Grit* is a rousing frontier adventure tale in which fourteen-year-old Mattie Ross seeks to avenge her father's murder by the coward Tom Chaney with the aid of the mean and one-eyed US marshal named Rooster Cogburn. A finely crafted novel brimming with mastery, humor, and epic sweep, it's no surprise it's a favorite of writers as wide ranging as Mary Roach and Anthony

Bourdain to Jonathan Lethem and Bob Odenkirk. The book has inspired two award-winning films--the original version and the wildly acclaimed remake by Joel and Ethan Coen--and Overlook's movie tie-in edition to the Coen brothers' film went on to become a #1 New York Times bestseller. Now, to mark the 50th anniversary of the publication of this true American classic, Overlook is releasing a glorious new edition of True Grit in a deluxe flapped paperback format featuring specially-commissioned cover artwork. With new critical essays on Portis and his seminal work by New York Times bestselling author Jacquelyn Mitchard and writer Jay Jennings, editor of the collection *Escape Velocity: A Charles Portis Miscellany*, also published by Overlook; an insightful introduction by Roy Blount, Jr., acclaimed author and friend to Charles Portis; and an afterword by Donna Tartt, this anniversary edition of True Grit is the ultimate celebration of an American classic.

When Tito Loved Clara Oct 22 2019 A moving and dramatic novel of a suburban wife and mother whose past comes back to haunt her . . . Clara Lugo has escaped her difficult and tumultuous childhood in a Dominican neighborhood in the northern reaches of Manhattan. Now she tries to live a settled professional life with her American husband and son in the suburbs of New Jersey--often thwarted by Clara's constellation of relatives who don't understand her gringa ways. Her mostly happy life is disrupted, however, when Tito, a former boyfriend from fifteen years earlier, reappears. He still carries a torch for Clara, and she harbors a secret from their past. Their reunion will set in motion an unraveling of both of their lives--and reveal what assimilation, or the absence of it, has cost them both . . . "Michaud's quiet account of a foundering marriage and his forays into the mind of an abused child and her adult self are perfectly done." --Booklist

Escape Velocity Feb 16 2022 Collected here in *Escape Velocity*, edited by Jay Jennings, is his "miscellany" of journalism, short fiction, memoir, and even the play *Delray's New Moon*, published for the first time in this volume. Portis covers topics as varied as the civil rights movement, road tripping in Baja, and Elvis's visits to his aging mother for publications such as the *New York Herald Tribune* and *Saturday Evening Post*. Fans of Portis's droll Southern humor and quirky characters will be thrilled at this new addition to his library, and those not yet familiar with his work will find a great introduction to him

here. Also included are tributes by accomplished authors including Donna Tartt and Ron Rosenbaum.

Norwood Jun 22 2022 Sent on a mission to New York he gets involved in a wild journey that takes him in and out of stolen cars, freight trains, and buses. By the time he returns home to Texas, Norwood has met his true love, Rita Lee, on a bus; befriended the second shortest midget in show business and “the world's smallest perfect fat man”; and helped Joann “the chicken with a college education,” realize her true potential in life. As with all Portis’ fiction, the tone is cool, sympathetic, and funny.
